**You've got my back
& I've got yours...**

Thank you firefighters of prescott
and around the world for keeping this
world safe from fire. Weather it be
man made or people made or mother
nature made. it takes the courage
and love off heros like you guys to do
it. 19 lives were cut way to short this
year and their souls have gone to the
heavens to join the 343 heros who
were lost during 9/11 and the many
others who died to save lives while
demonstrating an act of courage
and love and they will forever be
in my heart. It's not said nearly as much
as it should be, but you guys are heros
and became heros the moment ^{you} first put
those fire suits on. And words can
not be used to describe how
amazing you are for doing what
you do. God bless you guys for years
to come and remember we are with
you every step of the way and
always will be. Love Samantha
