Dear Chief Dan Fraijo,

We at AAM can't begin to tell you how very sad we are about the devastating loss that your team, the families of these brave young men, the community and our country have experienced. It is still, and will continue to be, completely overwhelming. Our small office in Prescott Valley is truly grief stricken.

We felt compelled to reach out to express our sorrow and to recognize not only the men who perished, but also the families who will live this sacrifice forever. In addition to an ~~1000~~ donation to the Home Builder's Association of Central Arizona Yarnell Fire fund, AAM wanted to recognize each family with our Neighborhood Hero award. Although these are very small tokens in light of the magnitude of what has occurred, we do want to express that you are all in our hearts and prayers.

If it seems appropriate and would be welcome, we would appreciate your passing this message along to the families.

Very sincerely,

Amanda Shaw
