

July 17, 2013

Hello,

When we heard of the tragedy that happened to the Yarnell Hotshots we knew we had to do our part to raise money to help the families of the nineteen fallen Fire Fighters.

We the agents of American Airlines in Phoenix AZ raise over \$500. We know this is only a small part, but we want the families to know how proud we all are and how much we appreciated the work of these fallen heroes. Thank You.

Sincerely,

American Airlines
