Dear HotShot Families,

It was with heavy heart we learned of the Yarnel Hill fire tragedy. Please know that our thoughts and prayers are with all the families, friends, and co-workers of those brave men. We know these men were doing what they loved and believed in. These men made sure the safety of others was foremost in their job, and because of this, they are and always will be our heroes.

This is a busy time for Little League. Each district throughout the country is now hosting All Star tournaments. We in Arizona District 2 just finished our district tournament. To help defray tournament costs, we do 50/50 raffles each night. I talked with my district staff, and the decision was made that the Tuesday July 2<sup>nd</sup> raffle proceeds to the district would be sent to the families of the HotShots. We had early and late games, and our Little League families were able to donate \_\_\_\_\_ please find a check enclosed for this amount.
