### NYCB donates \$10,000 to help the families of the Prescott Fire Department's Granite Mountain Hotshot Crew

In honor of the nineteen Arizona firefighters of the Prescott Fire Department's Granite Mountain Hotshot Crew who lost their lives battling the wildfire at Yarnell Hill, NYCB has made a donation to the 100 Club Survivors fund.

The 100 Club of Arizona provides support to municipal, county, tribal, and state law enforcement agencies, public safety officers, correctional, parole & probation officers, firefighters, and their families through various programs and benefits.

Prescott (592) Branch Manager, **Randy Kern**, feels a connection with the fallen firefighters. "The 19 firefighters were part of the Prescott Fire Crew." says Randy. "That's my hometown. I know of the support that the 100 Club provides and I knew that they were going to give support to the families of the firefighters, which is why I suggested that we make the donation."

The NYCB donation to the 100 Club of Arizona will go directly to support the needs of the families of the fallen Hotshot Crew.

### There is Still Time to Help Arizona Residents Affected By the Wildfires!

In addition to the donation to the 100 Club of Arizona, NYCB is still collecting funds to assist Arizona residents who have been affected by the wildfires earlier this summer. While the blaze has been extinguished for more than a month, a reminder of the devastation remains on the faces of those who lost everything but the clothes on their backs.

The NYCB Family of Banks is coordinating this effort to enable our employees and customers to make donations to the natural disaster relief efforts in the USA both easily and effectively, and with twice the benefit. NYCB will be matching the first \$25,000 collected. The combination of your donations and our matching contributions can reach as high as \$50,000.

You can help by donating at any NYCB branch. Please deposit your donation into the following account:
