To Whom It May Concern

Please accept this check in the amount of _____ which I am sending with a request that it go directly to the families of the Granite Mountain Hot Shot Crew members who tragically lost their lives in the valiant fight to save the beautiful little town of Yarnell. I live in Dewey and my heart aches for this loss of lives, homes, memories.

I recently lost my husband but my grief is for one, much older, whose life was very dear to me— it is also, now, for 19 who were so young and so very dear to so many.

With my greatest respect,

Nepha Franks
