

My father was a volunteer
fire fighter for our town
for 8 years when I was a
young child. I wasn't aware
then of the great risk and
the weight that my mother
carried for his safety during
that time. Even though I
cannot carry or even closely
share your great grief, I
want to do what I can -
that is let you know that
people care about you
and can show it by
remembering your loss.
Generations will be affected
yes, but there is also more
to life than what we see
here. May you reach out to
God so you can realize it.

Sincerely
Colette Francis

To the people of July 26/13
Prescott and the Granite Elite
Firefighters,

Even at a time of such
unexpected sadness,
love and memories endure.
And they will
stay with you forever.

Thinking of You

This card is not being
sent late - but purposefully
at this time to let each of you
know that I think of you
often - even though the
news media has gone on
to other things. I feel the
need to lift you up before
Jesus frequently - that He
will give you strength for the
day you are in and hope for
the future.
