Dear Friends~

As you know, our little community has suffered a horrendous loss over the weekend with t deaths of 13 Prescott Fire Department firefighters, members of the Granite Mountain Hot : These brave firefighters are the Navy SEALs of the forest firefighting world. They leave beh wives and children. If you would like to donate to the families of these men, you can do so at 100club.org, which has set up a special fund for this purpose.

You may also donate directly to the Prescott Fire Department at 1700 Iron Springs Road, PRESCOTT AZ 86301. We're doing both and working with the Republican Women of Prescott for speci for the families.

Thanks

Al & Betty

*Al worked as a lawyer for me at Shell and is retired at Prescott.
Don Walsh*

*I am a neighbor of Don & Joyce Ralph and will also keep the families in my prayers.
Please accept my donation for the families of those brave men.*
