To the families of the Granite Mountain Hotshots-----

Please accept our most heartfelt condolences for the loss of your loved ones and our deep sense of gratitude for the sacrifice they all made to keep us safe from harm. We pray that God will comfort and walk with you through this difficult time.

This donation is made with love and in memoriam of Herman Frank Brinkmeyer, who recently lost his battle with cancer. He lived and loved the surroundings that your families fought so valiantly to protect.

God Bless you all and please know you are forever in our thoughts and prayers,

*Mike and Dana Brake
