Granite Mountain Firefighters

On behalf of the Town of Pahrump, we would like to extend our gratitude to all those who battled the flames of the recent Mount Charleston fire and we extend our condolences for those 19 who sacrificed their lives in the line of duty.

Many of us wonder why a man or woman would risk their life for someone they do not know. But those who fight fire, provide rescue, and render care truly realize the meaning of the Firefighter's prayer that says "I want to fill my calling, to give the best in me" and they believe that the greatest gift a man or woman can give is to lay their life upon the line so that someone else might live.

I can only hope that as we go from day to day and we pray to God above and say a prayer for our local firefighter. He or she may one day save the ones you love.

Thank you.

Sincerely,

Susan M. Holecheck
Pahrump Town Manager
