Dear Sirs:

Please accept this shirt, signed by the firefighters of Bluffton Township Fire District in Bluffton, South Carolina, to acknowledge and thank the 19 Wildland Firefighters who recently gave their lives during the Yarnell Arizona fire. We know that as firefighters we all put our lives in danger every day. Your crew gave the ultimate to keep others safe. We are deeply moved by their sacrifice. The Granite Mountain Hotshots were among the best and bravest firefighters in the country.

Our hearts go out to the families and friends of the firefighters as well. Please know that you are all in our thoughts and prayers during this extremely trying time.

Respectfully,

A handwritten signature in black ink that reads "W. Barry Turner".

W. Barry Turner

Fire Chief
