Dan Fraijo, Prescott Fire Chief  
201 South Cortez St.  
Prescott, Arizona 86303

Dear Chief Fraijo,

Please accept my heartfelt sympathies to you and to all of you in the Prescott Fire Department, the City of Prescott and beyond. I'm certain I know those among the honored nineteen firefighters and finer men don't exist.

As I wrote to Mayor Kuykendall, I come from an old Arizona family. Collectively we have summered at Iron Springs Club across from the Doce Fire since 1900. We are all aware of how much these men and so many others gave to Yavapai County and more. I spotted Hot Shot trucks from Sacramento and South Dakota as well.

I'm not good at very many things one would consider practical Chief Fraijo, but I hope there is a way I can be of help. There will no doubt be an appropriate tribute to these men from the City, the County and all their friends and family. I personally know several local firefighters from years working out at the local 'Y' and possibly, many who may have been fighting the fire in Yarnell.

Chief Fraijo, I owned a large celebrity floral design, interior design and events business in Beverly Hills and Bel Air for well over a decade. As I stated, I'm not very good at much that is practical, but if I can volunteer to help do florals, and I am a more than decent cook. If, as an individual, I can be of help, yet not be in anyone's way, please call upon my assistance.

With kind regards and great respect,
