

June 12th 2013

Dear Families of the Granite Mt. Hotshots,

We are a bunch of kids that live in Crested Butte or visit Crested Butte! We love it here. In the summer we are part of this kids program called:

Here we are...Ready for action, ready to rip!!!!

The owner of this camp is a volunteer Fire Fighter here in Crested Butte. Well, he told us about the tragedy that happened to the Granite Mountain Hotshots on June 30, 2013. We all decided to build this really cool ramp over a car, ride over it on our bikes or skate boards and all of this was happening during the 4th of Parade. As we were entertaining the crowd we had some of the other kids walking down with a bucket with a sign that said "Support the Granite Mt. Hotshot crew"...We raised _____ We hope this will help those families in need.

We 're all really sad about this incident that happen in June. We are sending our love and positive energy!

Thanks to all the hotshot crews out there in the world and to all the firefighters as well!

Love,

ALL THE KIDS FROM GRAVITY GROMS
