On behalf of the Officers, firefighters and families of the Platte Canyon Fire Protection District, Bailey CO, we wish to express our heartfelt sympathy to your Department and the families of the 19 lost souls of the recent tragedy.

To those who still work our job, and to those who have retired or moved on; "Stand Strong" together! We thank you for your professionalism and dedication.

As you may already know, Platte Canyon modeled our wildland Type II IA crew from the brave crew from Prescott/Granite Mt.

May the peace and love of God almighty be with all of you.

Mark Wesseldine, Fire Chief
