RE: MEMORIAL DONATION

We are a small office of six people who were moved by another tragedy of the horrific shootings in New Town, Connecticut. We have taken a challenge to extend acts of random kindness to people or places to let them know of our thanks and appreciation for all the work that they do and sacrifices that they have made.

Enclosed is a check for _____ to be used however needed, in memory of the 19 fallen firefighters from your department. Please know that we join many people across the nation in offering our thanks, condolences, and prayers to each of you and the families that experienced the loss. The ultimate price that your department made has touched the nation.

Sincerely,
