With heart felt sympathy, I say greetings to all.

On July 4<sup>th</sup>, our clubhouse in the Grand Isle Community (55+) held its annual holiday dinner/dance. We at Viera, FL are part of the city of Melbourne, FL, in Brevard County. I held a 50/50 raffle that day, to benefit the families of the fallen firefighters. The following evening, we presented a DVD video of Paul Anka's 2011 concert in Switzerland; once again, we did a 50/50 raffle. Our community came through with  for which I am very happy to enclose a check. We are hoping that much similar generosity will come to you from all over the United States. I had hoped to send the check to your famed Toni Tennille, and ask her to present it to you: however, her message bank is to capacity; I do not know if she and Daryl are in town. We send not only a donation to these 19 families, we offer our special thoughts, concerns and prayers.

Our best regards,
