

Chief Fraijo,

The 85th/76th Delaware State Police Academy Class would like to send our deepest condolences to your agency for the loss of a fellow law enforcement officer. Each night, our class holds a memorial service for fallen officers. We as a class would like to thank your officer for their highest level of assistance to those in need as well as their unimpeachable devotion to duty, both qualities are something we admire and are striving to achieve. We will continue to pray for your agency but more importantly for the fallen officers' family. We will not only keep you in our thoughts and prayers but we will hold you closely to our hearts as we advance in our law enforcement careers.

Sincerely,

The 85th Delaware State Police/
76th Municipal Recruit
CLASS.
