Good morning:

We were deeply saddened to learn of yesterday's loss of 19 hotshot firefighters in the line of duty. As fellow firefighters, the loss of any of us is a loss for all of us.

In honor and memory of these firefighters, please find enclosed a donation of _____ to be used in whatever way is most helpful in the wake of this tragedy.

We stand and mourn with you, and hope each family may eventually find peace in their hearts.

On behalf of the Manchester, Vermont Volunteer Fire Department,

Respectfully,
