RE: Granite Mountain Hotshots

To Whom It May Concern,

My name is Christina Rienks and I run a very small family-operated online business that makes custom vinyl decals. When I heard the news about our fallen heroes, the Granite Mountain Hotshots, I wanted to do something to help.

Because we do not have a lot of money, my husband and I came up with the idea to design some custom firefighter decals to sell on our site in an effort to raise money to donate to the families of the firefighters. We are donating 50% of all of the proceeds we receive to those families.

Also, to pay our respects to those lives that were lost and to the families who are in mourning, we have included 19 personalized decals with this letter. Please help these decals find their way to the families.

I realize that it is not much and I cannot possibly begin to understand what all who were close to the men must be going through. But know that our thoughts and prayers are with everyone. We pray that God shares his strength, comfort, healing and Grace.

God Bless,

Christina Rienks
