Dear Chief Fraijo,

On behalf of the men and women of the City of Riverside Fire Department, please accept our sincere condolences for the tragic deaths of nineteen members of the Granite Mountain Hotshots. Our thoughts and prayers are with the families and loved ones of the fallen, the Prescott Fire Department and the entire Prescott community. These nineteen men represent the very best of the fire service, and their courage, dedication and service to their community will never be forgotten. In remembrance of our fallen brothers, the City of Riverside Fire Department is displaying the Mourning flag, which honors firefighters that die in the line of duty at all fourteen of our fire stations, and our members are wearing black badge bands. We will continue to display the Mourning flag and badge bands until all members have been honored.

If there is anything at all the City of Riverside Fire Department and Riverside City Firefighters' Association can assist with during this most difficult time, please do not hesitate to ask. We share your sorrow and mourn the devastating loss of this courageous crew.

Sincerely,

Steven H. Earley, Fire Chief
City of Riverside Fire Department

Fraternally,

Timothy D. Strack, President
Riverside City Firefighters Association
