Fire Chief Dan Fraijo
Prescott Fire Department
1700 Iron Springs Road
Prescott, AS 86305

Dear Chief Fraijo: *Dan*

I was deeply saddened and shocked when I learned late last night that nineteen of our finest were lost in the wild lands fire at Yarnell Hill.

I know of no words that can ease the pain and shock the families of these heroes and your beloved fire department are enduring at this time. Having suffered the loss of personnel in line of duty I can relate to your pain and grief. I have always believed that God does not give us burdens that we cannot bear and that His Love and Grace is sufficient to see us through adversity and tragedy.

I cannot imagine what I could do for you, if anything, at this terrible time. I want you to know that I will be praying for you daily, seeking God's strength for you and your staff as you work through this horrible tragedy.

May God give you comfort and His Blessings for you and your family, the loved ones who are grieving and the Prescott Fire Department.

With my deepest sympathies

Bill Killen
