Dear Fund Administrator:

Enclosed is my check in the amount of 1,000.00 support of the families of the Granite Mountain Hotshots who perished in the Yarnell Hill fire. My preference is that this gift be apportioned among those families with children. I wish I had much more to give.

In addition, my preference is to remain "anonymous."

My heart goes out to the 19 heroes and their families. I feel a profound sense of sorrow.

My youngest son, Townsend Keller, is with the Alaska Chena Hotshots crew this season. Any parent worries when his/her child is in harm's way, and I am certainly no different in that regard. I pray for the safety of all of the firefighters who dedicate their lives to keeping other people/property safe.

Sincerely,

Blythe Rhodes
