Dear Chief Fraijo,

We want to express our deepest sympathy and condolences to you, your Fire Department, the Prescott Community and, most of all, to the families of the Fallen Firefighters of the Granite Mountain Interagency Hotshot Crew. This tragedy strikes deep into our hearts, as members of the Wildland Firefighting Community. Wildland Firefighting is a dangerous business and the brave men and women who put themselves in harm's way are true heroes.

Words cannot convey our sense of sadness at your loss. Please know that the entire Firefighting Community throughout this Nation stands with you in this time of grief. Please also know that our thoughts and prayers are with you, your staff, the people of Prescott and the families of the Fallen Firefighters at this time.

Sincerely,

The Staff of Erickson Air-Crane Inc
