Dear Patti:

Thank you so much for allowing Randy and I to do this. For a songwriter, this is what we all work for. A hope that our song can be a blessing to someone. So, we are most grateful for the opportunity. We hope you find the song and lyric poster to be what you had hoped it would be. And we ask that you keep us updated on feedback or photos or any comments.

I am enclosing 20 copies of the CD and 20 copies of the lyric posters. If you have any questions or need any information, please call or email me. My vitals are in the letterhead.

Once more let me thank you. We wish you a blessed day. We are looking forward to this event.
