Dear Sir or Madam:

My name is John Cunningham. I own an Irish Pub in St. Augustine, Fl. A week or two ago, while talking with members of the two IAFF locals, we decided that we needed to do a fundraiser for the families of the 19 fallen firefighters.

Many firefighters from IAFF Union Local 2282 (City of St. Augustine FD) and IAFF Union Local 3865 (St. Johns County Fire and Rescue) canvassed local business for donations to hold a silent auction. I talked Guinness into donating a few kegs, and 100% of the sales of Guinness that day are going into the proceeds, as well as 10% of the days sales from my business, as well as an ice cream / fudge shop next door to mine called Fudge Buckets. The St Johns County Chapter of Pink Heals also donated their day's sales to the event.

We had firefighters from both Union locals acts as guest waiters, bartenders, barbacks, and working the auction tables. Several local media outlets carried heavy coverage of the event also, and we made sure we prominently mentioned the prescottffcharities.com website whenever we could.

The good news. Inside the envelope you will find several checks. The two big ones are the proceeds from the day's sales at Ann O'Malley's and Fudge Buckets, and the other is from IAFF Local 2282. The state does custom firefighter license plates, and the union locals receive a portion of the proceeds of each plate sold. The ( ) is from IAFF Local 2282's plate fund. There are also several other smaller checks enclosed. The total donation from the days' activities is \$
