

To all the families that this terrible tragedy has taken place around. Please know that we could not come to knowing what you are going through, but know we are there in heart with waiting prayers.

To the lone survivor Braedon I believe or Brandon, please know that you are in our prayers as well and know that it was not your fault. We love you just the same and we will always be thinking of you.

Please know that we are thankful for your sacrifice and service and know that you will never be forgotten!! Sending our Love and Prayers from our family to yours.

Much Love,

Ginny Clem
