Mr. Darrel Willis,

I am sending you these poems in memory of the Granite Hotshots, in hopes that you will make sure that each family of the Granite Hotshots who died in the fire in June, will receive one. There is also one for your office, as well as the Prescott Fire Department where the fire fighters were from. My heart and prayers go out to the all the families who lost someone. May God be with them all, as they go through this trying & sad time.

I appreciate your time in this matter and hope that you will be able to do this. Thank You & God Bless.

Sincerely Yours,

Genoveva C. Yanez
