To all members of the Prescott Fire Department,

I am writing on behalf of the Kunghur Rural Fire Brigade to express our condolences for your recent loss of nineteen members of the Granite Mountain Hotshots.

As a volunteer fire brigade we understand the importance of the job firefighters play in protecting the community and the dangers that are inherent in this important role. Our thoughts and prayers are with the families, friends and colleagues of the 19 fallen firefighters at this difficult time.

Please accept this plaque as a remembrance of these brave firefighters.

Kind Regards

.....
