Dear Chief Fraijo

The 5,000 plus members of the Tasmania Fire Service were deeply saddened as we learnt the news of your tragic loss earlier this week.

Several Tasmania Fire Service members have, over recent years, worked with American fire agencies on a number of bushfires in the US and as an organisation we have developed close relationships with our colleagues in the US fire departments.

Exactly six months ago today, my fire agency faced catastrophic fire weather conditions and lost almost 400 structures as numerous bushfires impacted on communities in our own beautiful state.

To the families and colleagues of your sadly departed hotshot crew, all Tasmania Fire Service firefighters extend their most sincere condolences.

Our thoughts are with you.

Yours sincerely
