Dear Mr Fraijo

I am writing with regard to the tragedy on Sunday 30th June 2013 when 19 of the Granite Mountain Hotshots lost their lives battling the 2,000 acre Yarnell Hill fire.

Please accept our condolences for the loss of your firefighters, colleagues and friends in such tragic circumstances. Please also pass our condolences to the families and loved ones of those who lost their lives bravely fighting this fire and give them strength to bear their loss in the coming days and years ahead.

A loss such as this touches the hearts of the firefighting fraternity throughout the world and I hope that you find some comfort in knowing that you are all in the thoughts of your fellow firefighters at HumberSide Fire and Rescue Service so many miles away.

Kind regards.

Yours sincerely
