The Business and Trade Program of the Arizona Department of Commerce provides a wide range of services to business and industry. The Program was created to assist companies considering starting, expanding, or relocating a business in the state. We also provide assistance to firms considering direct foreign investment and those looking to develop or expand foreign markets. Our professional staff represents an excellent resource for any company planning to do business in Arizona. Business and Trade can provide you with:

Site Selection Assistance

- We provide information on communities, existing buildings, and/or sites meeting your specific criteria.
- We arrange and conduct tours of communities and/or sites.
- We plan meetings with public officials, business leaders, and community representatives for further information on areas under consideration and their ability to meet your needs.
- We hold all inquiries in strict confidence.

International Trade Assistance

- We counsel businesses entering the international market.
- We assist local companies in expanding their foreign markets.
- We sponsor educational workshops and seminars.
- We host foreign delegations visiting Arizona.
- We coordinate and provide information on upcoming trade shows and missions.
- We provide statistical information on foreign trade.
- We publish an International Trade Directory annually.

Research Division
Arizona State Library, Archives and Public Records

Liaison Assistance

As your confidential representative in the State of Arizona, we can access a network of state and local contacts to answer your questions concerning:

- Mexican off-shore manufacturing opportunities,
- business permitting/licensing requirements,
- foreign trade zones,
- state regulatory agencies,
- customized training programs,
- economic projections and forecasts,
- financing alternatives, and much more.
