

DISCOUNTED DAY CARE PROGRAM FOR ARIZONA STATE EMPLOYEES

MARICOPA
COUNTY

IMPORTANT NOTICE

This booklet is only provided as information to State employees.

The day care centers listed are not contractors with the State Department of Administration (DOA).

The State DOA makes no representation as to the quality of care of centers listed or not listed.

The State does not ask the centers to guarantee space for its employees.

The State is not a party to any agreement you make with the center.

The State disclaims any liability or responsibility for the acts of any provider.

It is the responsibility of the parent(s) or guardian(s) of the child(ren) to investigate any center being considered for care of their child(ren) and to monitor the quality of care.

You must make any and all decisions about your child care arrangements. Since centers differ in the services provided for their stated rates, we strongly suggest comparative shopping.

When you call and/or visit, be sure to identify yourself as a State of Arizona employee and verify the information in this booklet. At the time of enrolling your child(ren), you may be asked to produce proof you are a State employee (i.e., recent paystub, ID badge, etc.)

Centers may change services and/or rates and discounts at any time. Periodically we will be updating our regional booklets, but the State cannot and does not guarantee the rates and discounts herein. It is your responsibility to verify services, rates, discounts, etc.

Should any problem arise at any time, you must pursue the matter with the day care center. As noted above, the State of Arizona is not a party to any agreement, and disclaims any liability or responsibility.
