Phoenix, Arizona 85007-2890

Dear Senator Bennett:

Pursuant to Arizona State Statutes §38-844 C. the Fund Manager of Public Safety Personnel Retirement System is directed to report to you the number of catastrophic disability pensions that were approved by the local boards in the preceding calendar year by January 31.

During calendar year 2005 one catastrophic disability pension was awarded on June 1 by the Tucson Police Department. Prior to that, during calendar year 2004, a catastrophic disability pension was awarded December 1 by the Maricopa County Sheriff's Office bringing the total number of this type of benefit being paid by PSPRS to two. According to the statutes "allowable catastrophic disability pensions" are limited to ten for 2004 and thirteen for 2005. Therefore, the Plan is in compliance.

Respectfully submitted,

Jim Hacking
Administrator
