TERRANCE G. LEONHARDY
Diplomat-in-Residence

**FALL
1973**

Season's Greetings
from
Thunderbird

THE THUNDERBIRD (alumni publication of the Thunderbird Graduate School of International Management) is published in the Fall, Spring and Summer of each year.

EDITOR: Martha L. Snyder

COVER:

TERRANCE G. LEONHARDY,
Diplomat-in-Residence.

(story on page 2.)

President's Message

This has been an exciting year for the Thunderbird Graduate School. There have been feature stories on the School from the Los Angeles Times news service, the United Press International, the Financial Executive, the Journal of Commerce, Industry Week, the Journal of Administrative Science, various McGraw Hill outlets overseas, and others. These articles have, in general, praised the School and its mission. As a result of this publicity, plus the fine effort by you alumni and our student-staff-faculty recruiters, enrollment at the School increased by one-third in one year's time — from approximately 670 students to about 870. For the first time, applications were cut off in August. Currently we are carefully weighing the surge of applications being received for February 1974 in order to continue upgrading the standards of admission to the School. There are 135 international students from 44 countries now enrolled. Most impressive has been the increase in numbers of students from the Far East; namely Japan, Korea, Hong Kong and The Republic of China.

It is not anticipated that we will let the School grow any larger. We hope to maintain an average of 750 students on a year-round basis from now on. If applications and inquiries keep increasing as they have over the past two years, we will be able to maintain higher standards of admissions. This will make our screening role for the multinational corporations even more effective.

We hope this will result, in the long run, in a substantial increase in corporate financial support for the School. Unfortunately 85 to 90 percent of our income still comes from student tuition. Multinational corporations are evidencing interest in our program and are recruiting on the campus in everincreasing numbers. But we are yet to achieve what I would consider substantial financial support from our corporate friends.

During the summer months the kitchen was modernized with new stoves, new ovens, a new tile floor, new refrigerators and several other labor-saving pieces of equipment. It is imperative now that the renovation of the dining hall be completed as soon as possible. As you know, we are seeking \$83,000 from the alumni in order to accomplish this project. We now have over 8,000 alumni around the world in over 100 foreign countries. We hope it will be possible for us to show a substantial increase in the financial support of our long-time friends and supporters. Won't you please return your pledge card immediately?

You can all be very proud of Thunderbird's record during the 27 years of its existence. The multinational corporations are virtually unanimous in their praise of you Thunderbirds who are performing so ably around the world. We are doing our best to keep the School up-to-date and to provide the kind of education necessary for the ever-changing international climate. In the past two years we have had to increase the emphasis on the newer concepts in economics, finance, accounting and marketing. It is evident that the international world of economics and finance is changing rapidly, and we as a School must be on the frontier of this movement. Representatives of these companies tell me our graduates compare favorably with the graduates of any other institution in the world. This makes all of us at Thunderbird very proud, and I'm sure you feel the same way.

William Voris
President

FORMER U. S. CONSUL-GENERAL IS DIPLOMAT-IN-RESIDENCE AT THUNDERBIRD

Former U.S. Consul-General Terrance G. Leonhardy, who was held under threat of death by Mexican Terrorists for four days in May, will spend the 1973-74 school year as a diplomat-in-residence at Thunderbird.

Appointment of the diplomat is a part of a program by which the State Department assigns selected veteran diplomats to schools and universities for a year.

Leonhardy was released unharmed after the Mexican government met his kidnapers' demands to free 30 leftwing prisoners and fly them to Cuba. Seized by three terrorist gunmen on a Guadalajara street, he was the first foreign diplomat to be kidnaped in Mexico. He was unharmed despite four days' detention, during which time his execution was threatened frequently.

Mrs. Leonhardy, a former vice-consul in Nogales, Sonora, helped arrange a bank loan to pay ransom, which the kidnapers demanded in addition to the release of so-called political prisoners from Mexican jails.

Those released from Mexican prisons were accused of bank robberies and other crimes believed linked to left-wing political movements in opposition to the government of President Luis Echeverria and his predecessors.

A 31-year veteran with the Department of State, Leonhardy served as consul in Nogales and Mexico City, in addition to assignments in Spain, Colombia, El Salvador and Denmark, and in the Department of State in Washington.

Among his many awards are a Certificate of Appreciation, awarded by the Governors of Arizona and Sonora; Certificate of Appreciation, awarded by the Municipal Council of Nogales, Sonora; Meritorious Service Award from the Department of State, and the Order of "Gran Oficial" by the Government of El Salvador.

Mr. Leonhardy and his wife, Leona, and their two daughters, reside on the Thunderbird campus.

Union Commerce Bank in Cleveland as assistant vice president and personnel director, and with the State National Bank in Evanston, Illinois, as personnel director.

In addition to his personnel experience, he served as the assistant director of admissions for two years at Northwestern University and for three years at Lake Forest College.

He holds a B.A. degree in psychology and an M.A. degree in personnel administration, both from Northwestern University.

In addition to his personnel responsibilities, he will work as the administration's liaison with the student government organization, and have responsibilities in the area of student housing, athletics, food services and social activities.

He is a member of the American Society for Personnel Administration, American Management Association, and the American Institute of Banking.

TRAVELS OF THE PRESIDENT

President William Voris recently returned from visiting the heads of six major corporations as a part of the continuing campaign to raise \$2.5 million for Thunderbird, over a five year period.

President Voris began his discussions on September 9th in Akron, Ohio, at a luncheon with Charles Pilliod, President of Goodyear; Richard Riley, President of Firestone; Gerald O'Neil, President of General Tire; and O. P. Thomas, President of B. F. Goodrich. Each of the above are thoroughly familiar with Thunderbird and were quite receptive to his efforts.

Mr. Pilliod, who will coordinate fund raising among the four tire companies, also arranged a dinner for President Voris with Mr. Russel DeYoung, Chairman of the Board of Goodyear; Dr. Olds, President of Kent State University; the President of the University of Akron, and other administrators of the two schools. The purpose of this meeting was primarily to help recruit students.

During the same trip, President Voris met with Mr. John Montag, President of Caterpillar International Division, and Mr. C. William Verity, Chairman of the Board for Armco Steel. Both companies have agreed to make five year financial pledges to Thunderbird. In addition, Armco will provide "full-ride" scholarship for an outstanding engineering graduate.

President Voris spent October 9-12 in Washington, D.C. to attend the annual meeting of the American Council on Education at the Shoreham Hotel. The topic for this year's meeting was Education and the State. While there he also attended one session of the Pacem in Terris, a national convocation to consider new opportunities for U.S. foreign policy, assembled by the Center for the Study of Democratic Institutions.

Also on his agenda were visits to Mr. Donald B. Bergus, Dean of the Academic Relations of the Foreign Service Institute, and Mr. J. Willard Marriott, Jr., President of Marriott Corporation.

ASSISTANT VICE PRESIDENT NAMED

Mr. Donald W. Miller, '44, has been appointed Assistant Vice President and Director of Student and Staff Personnel at Thunderbird.

Before coming to the School, he served as Director of Personnel for Continental Bank in Phoenix. He was previously associated with Beverly Bancorporation as corporate personnel manager, with the

ARTHUR '57 NAMED REGISTRAR

JOHN J. ARTHUR has been named Registrar at Thunderbird, and will retain the responsibility of College relations Officer which involves primarily student recruitment. The Registrar's duties have been handled by Dr. Robert L. Gulick, Jr. since

September 1965. Dr. Gulick will now devote full time to the position of Dean of Admissions.

John received his undergraduate degree in Romance Languages at the University of Houston, and a Bachelor of Foreign Trade degree from Thunderbird in 1957. He also received his Master of International Management degree from Thunderbird in 1971.

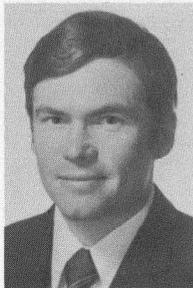

Following graduation in June 1957, he was employed by Brownell Lane International and was subsequently assigned to Saigon, Vietnam, as Commercial Officer. In 1962, he joined the American Trading Company as Resident Manager in Bangkok, Thailand. He returned to Thunderbird in 1968 to become Director of Public Relations and was later appointed to head up the college recruitment program.

John and his wife, Jean, and two children, reside at 8636 North 11th Avenue, Phoenix 85021.

HOWELL RECEIVES KNIGHT AWARD

JOHN CRAWFORD HOWELL, a native of Woodburn, Oregon, received the August 1973 Alfred Knight Scholarship Award for excellence in scholastic accomplishment.

Ranking first in a class of 204, he earned a total of 52 semester hours.

John also received the Barton Kyle Yount Award for his potential ability to serve the American free enterprise system abroad. Active in student affairs, he served as President and Program Chairman of the Society for the Advancement of Management and was a member of the German Club.

He joined Hilti Fastening Systems, Inc., in September and will be based in Stamford, Connecticut.

NEW FACULTY FACES

Mr. Eugene F. Bond, a former Sunbeam Corporation executive, has joined the World Business Department. Mr. Bond served as Corporate Vice President of Sunbeam from 1969 to 1971. In all, he was with Sunbeam for 29 years. From 1963 to 1969 he was President of the International Division. His actual experience abroad was between 1960 to 1963 as President, Director and General Manager of Sunbeam Corporation, Ltd., in Toronto, Canada.

He received his B.A. degree at the University of Illinois and did graduate work at Northwestern University. He is a member of Who's Who in Finance and Industry and the World's Who's Who. He is currently teaching International and Cost Accounting in the World Business Department.

Another newcomer to the World Business Department is Mr. Earl N. Culp, who brings to Thunderbird a background of 25 years of worldwide experience including international marketing and financing. He has worked in 107 countries covering marketing areas throughout Latin America, Europe, Africa, the Middle East, Southeast Asia, the Far East and Australia.

Most recently Mr. Culp was Director of International Marketing in the Kinetics Division of Vought Missiles and Space Company from 1969 to 1971. Prior to that, he was Vice President of the White Motor Company subsidiary, White Motor International, S.A., from 1965 to 1968.

Mr. Culp attended Western Reserve University majoring in Business Administration. He is presently teaching the Capstone course and his experience should provide an invaluable tool for those engaged in Capstone subjects.

FNCB EXECUTIVE ADDRESSES AUGUST CLASS

Carlton M. Stewart, Senior Vice President of the First National City Bank of New York, spoke to the summer graduating class at Thunderbird. Mr. Stewart heads the South Asia, Middle East and African Division of the bank's international banking group.

A native of Chicago, he attended Stanford and Harvard Universities before entering the U.S. Army in 1943. After World War II service, he returned to Harvard and in 1947 received a master's degree in business administration.

He joined FNCB as a trainee in 1947 and for the next twelve years served in the bank's Hong Kong, Tokyo, Bombay, Singapore and Manila branches. He assumed his present responsibilities in March 1969.

He is a member of the Asia Society and a director of the Far-East American Council of Commerce and Industry.

In addressing the graduates he said "that economic prosperity for one nation depends directly on the economic security of all."

"There is more to be gained (by nations) by reconciling divergent interests than by pounding one another over the head with them. Countries, including our own, that once kept domestic and international matters rigidly separated, now find themselves forced to discuss with other nations matters once considered strictly of national interest."

"The best example of this is the intensifying effort among industrial nations to resolve the international monetary crisis. To bring some order out of this crisis, nations are being pressed to devise approaches that may require new international institutions to carry them out."

He further stated that there are dramatic opportunities in trade and investment in the Middle East and that the U.S. government has projected by 1980 this country will have to import 35 percent of its oil from there compared to less than 5 percent in 1970.

He said the Middle East nations will have enormous incomes and the major challenge facing governments and international business generally is to help find adequate and orderly investment channels worldwide for these funds.

The School's highest student honor, the Barton Kyle Yount Award, was presented to John Crawford Howell of Woodburn, Oregon.

Excellence in Capstone Awards were given to Robert G. Ervin of Eugene, Oregon, Randolph Miller of Warren, Ohio, Richard J. Breit of Denver, Colorado, and Ravindra Rammiklal Vora of Bombay, India.

The Athletic Award was won by Holland Bowen Evans of Richardson, Texas.

New full time members of the Language Department are Miss Norie Miyagi, Mr. Akihisa Kumayama, Antionette Lerond, Luz Molinar, Elizabeth Zeiner and Mr. Zeddick Lanham.

Miss Miyagi, assistant professor of Japanese, was born and raised in Japan. She received her undergraduate degree in English and American Literature at Aoyama University, a Masters in Guidance and Counseling in Education at Andrews University. She received a Masters in Linguistics from the University of Hawaii and for a time was an instructor in Japanese and a teaching assistant there.

Mr. Akihisa Kumayama is an assistant professor of Japanese. He received his B.A. in English in 1966 at Kinsai University in Osaka, and his M.A. in Oriental Studies at the University of Arizona. He also received a Masters in English as a second language from the U of A. He holds a 3rd degree black belt in Judo and is a part time instructor here in Arizona.

Antionette Lerond attended Mammouth College and Tulane University. She was also an assistant professor at the University of Hawaii and is currently a Ph.D. candidate at Tulane. She will be a full time assistant professor of French.

Luz Molinar of the Spanish Department holds a B.A. and M.A. from Arizona State University and is now a doctoral candidate needing only to complete her dissertation.

Elizabeth Zeiner, an instructor in German, received her B.A. from Arizona State University and will shortly complete her Masters. She has been teaching at McClintock High School since 1970.

Mr. Zeddick Lanham is teaching English as a second language at Thunderbird. He received his B.A. and M.A. in French and Spanish.

Because of the large enrollment this semester it was necessary to employ four part time professors.

THUNDERBIRD HOSTS JAPANESE SEMINAR

A seminar on American Climate for Japanese Enterprise was held on campus from September 12 through September 21, under the direction of Christian A. Larsen, Director of Special Projects and Dr. Sabry El-Shabrawy, Professor of World Business.

The thirty-five executive trainees attending the course came from the Institute for International Studies and Training (IIST), Fujinomiya, Japan.

In addition to the eight Thunderbird faculty members, the teaching staff was augmented by Arizona State University faculty members, Dr. Keith Davis, Professor of Management, and Dr. Robert L. Knox, Department of Economics. In addition, representatives from local government and business organizations were on the staff.

Japan's Institute of International Studies and Training is largely modeled after Thunderbird as a result of a visit to the school in 1967 by Mr. Shigeo Horie, Chairman of the Board of the Bank of Toyko, Ltd. Mr. Horie was so impressed with the type of training being provided for international careers that he spurred a group of Japanese businessmen and educators to study the Thunderbird operation and set up a similar school in Japan.

S.A.M. PLAN TO ESTABLISH RESEARCH, FORECASTING AND INFORMATION SERVICE

The Thunderbird Society for the Advancement of Management, with encouragement from the renowned author and consultant, Robert Theobald, hope to establish a Research, Forecasting and Information Service. The research and forecasting will be done at the request of executives in business and government for an agreed upon fee, by individuals in credited courses of independent study.

This service will specialize in areas where other research and forecasting are lacking, incomplete, misleading, or biased. It will attempt to uncover questions as well as answers in forecasting possible trends in global finance, environment, energy, law, government regulations, etc.

Alumni will be appraised of forecasted trends by means of a topical review to appear as part of this publication. And a more comprehensive trendletter and list of available studies may be offered depending upon demand.

Input, request or support of this service are welcome — write T.G.S.I.M., S.A.M. Research and Forecasting.

SMU and THUNDERBIRD TO HAVE JOINT M.B.A. — M.I.M. PROGRAM

On September 10th, 1973, the Executive Committee of the Thunderbird Board of Directors approved a joint M.B.A. — M.I.M. program with Southern Methodist University. The program provides for the exchange of credits toward obtaining one degree as well as providing for a dual degree program. Dr. Donald Baerresen, Thunderbird Academic Vice President, and Mr. Michael Harvey of Southern Methodist University have worked very closely to bring the program to a reality.

In announcing the new linkage between Thunderbird and Southern Methodist University Dr. Baerresen said:

"These programs are now beginning, and it is anticipated that many students will be interested in availing themselves of the special opportunities provided under the arrangements between Thunderbird and SMU.

It is anticipated that students who are not now presently enrolled in SMU or Thunderbird will view the dual degree program as a composite opportunity for specializing in the core program of the Graduate School of Business at SMU first, where they will spend two semesters and obtain 30 credit hours and then come to Thunderbird to augment their education with courses in language, international studies, and upper level business courses.

The curricula of Thunderbird and SMU are complimentary, and the areas of specialization at each institution can be used to strengthen the students overall educational program.

At SMU fundamentals in business administration are emphasized through an action learning process by which students are encouraged to solve live problems under the guidance and direction of their professors.

At Thunderbird the students will obtain the basic required level of language instruction, and receive the required background to understand the political, economic, social, and cultural relationships in the international environments in which they seek to work. Also at Thunderbird students will have the advantage of learning the application of business practices and techniques under the direction of former executives who were in charge of international operations for major corporations.

The result of this dual degree program should provide the student with a strong background for his development as a successful international manager."

For further information on the Transfer of Credits Agreement between Thunderbird and SMU direct correspondence to Dr. Donald W. Baerresen, Academic Vice President or to Dr. Robert L. Gulick, Dean of Admissions, Thunderbird Graduate School, Glendale, AZ 85306.

THROUGH THE COURTESY OF HOWARD PATTERSON '69, we received the above photo taken during a recent FNCB inspection of the Calcutta, India, branch. Shown are four members of the Asia-Pacific Inspection Team (left to right) — Don Ehrett '72, Vince Zamis '70, Larry Edstrom '70, Howard Patterson, and Dave Ansell '68, who was the branch operations officer at that time. He has since been assigned to Saudi Arabia as Manager of the Jeddah branch. Howard adds: "Dave used to grade my papers for Paul Wilson's accounting class, and now (ho ho!) we're grading his!"

For the past three years the International Auction and World Trade Fair, successfully sponsored by the Thunderbird Women's Club, has been one of the highlights of the School year, and an affair that is eagerly looked forward to by not only the students but the local friends of Thunderbird as well.

The Club wishes to again thank alumni and friends who have so generously contributed to the last three auctions, however, in order not to burden them with annual requests and to stimulate more local interest in the World Trade Fair, the club voted to separate the two events by holding them on alternate years. The World Trade Fair will be held in the Spring of 1974, with the International Auction following in Spring 1975.

Alumni wishing to donate to the 1975 International Auction may send their donations at any time during the next year and a half. Alumni planning to visit campus might find it more convenient to bring their contributions with them. Articles sent by mail should be addressed to the Thunderbird Women's Club, Thunderbird Campus, Glendale, AZ 85306.

INTER-FAITH CENTER PLANNED FOR THUNDERBIRD

Inter-Faith Center plans at Thunderbird may be near realization. The student committee formed earlier in 1973 with administration and ASLC approval foresees that sufficient donations may enable construction to begin in early 1974. Additional fund raising will be pursued for furnishings and landscaping.

The facility will be used by all religious and philosophical groups for services, discussions, meditations, etc., in addition to providing a forum by which each can gain a better understanding of the world's religions and philosophies.

No such center presently exists on campus. With a substantially increasing enrollment each semester, no other facility can be made available for this purpose.

Inquiries, suggestions and support are welcome. Checks should be sent to Inter-Faith Center, Box 515, Thunderbird Graduate School, Thunderbird Campus, Glendale, AZ 85306.

An analysis was made of all the applications which had been accepted for admission into the fall semester (1973), as of August 31. This study covers a total of 734 applications, excluding those applications which had been rejected, deferred or otherwise postponed as of August 31.

AGE: The average age is 26 years. The median age is 24½ years. The mode is 22 years. The span is from 20 years to 47 years.

MARTIAL STATUS: 32% are married

FEMALE-MALE RATIO: 10% are female

HOLDERS OF ADVANCE DEGREES:

M.A. Degree	5.5%
M.B.A. Degree	1.6%
Law Degrees	0.8%
Ph.D	0.4%

UNDERGRADUATE MAJORS:

Business Administration, Economics, and related subjects, (many majors are cited as "Bus. Ad./Econ.," or "Finance/Econ.," and other similar combinations), which account for 38% of all applications:

Business Administration	19%
Economics	10%
Marketing	3%
Management	2%
Finance/Banking	2%
Commerce	1%
Accounting	1%

38%

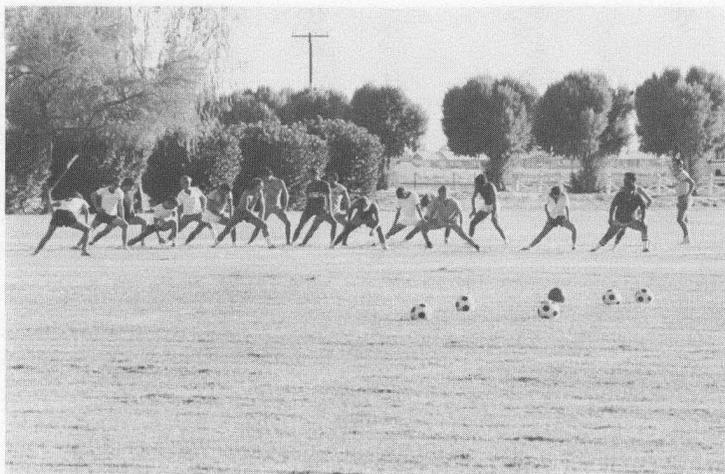

Political Science	16%
Languages (English 3%, other languages 11%)	14%
History and related Area Studies	10%
International Relations	3%
Engineering	3%
Other	16%

100%

FOREIGN CITIZEN: 20.5% of all applicants are citizens of other countries. Of this group, 58% hold degrees from American universities.

VETERANS: 32% of the American males are veterans.

There are 72 undergraduate degrees from foreign campuses: Taiwan, Japan, India, Korea, Brazil, Peru, Mexico, France, Liberia, Pakistan, Iran, Hong Kong, Lebanon, Saudi Arabia, Chile, Egypt, Ecuador, Spain, Nepal, Switzerland, Nairobi, and Venezuela.

Announcement of the TGSIM

"Journal of Applied International Business"

Thunderbird Graduate School of International Management is proud to announce that the first biannual issue of the **Journal of Applied International Business** will be published in the Spring, 1974. The next issue will appear in the Fall, 1974.

The Journal will contain current, outstanding articles by the faculty, students, and alumni, plus other authors of valuable articles.

Topics will include those currently being taught at Thunderbird in the World Business Department: international accounting, international marketing, international management, international finance, international economics, etc.

This will be your Journal and also will be distributed to other Universities offering Business Administration courses. The Journal will provide increased recognition for the curriculum and faculty developments at TGSIM.

Would you please check one of the two choices below and return this to "The Editor, Journal of Applied International Business," Thunderbird Campus, Glendale, Arizona 85306, at your earliest convenience.

We wish to learn the best way to meet the costs of producing this Journal and would deeply appreciate your assistance.

We thank you for your consideration.

The Editors

(Please check one)

- 1) I would be willing to pay for this subscription myself.
- 2) I think that my firm would be willing to pay for this subscription to circularize among executive personnel.

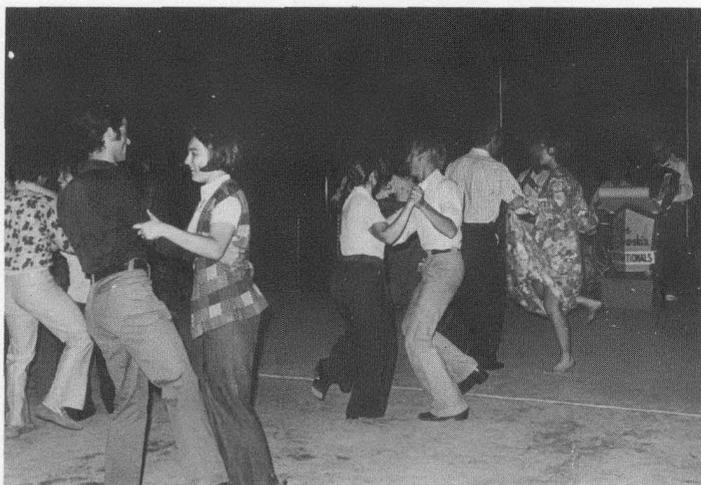

MASVIDAL ESTABLISHES ANNUAL SCHOLARSHIP

RAUL P. MASVIDAL, class of January 1966, Resident Vice President of the First National City Bank in San Juan, Puerto Rico, has established an annual Scholarship in memory of his father, Raul A. Masvidal.

The Scholarship, which will cover tuition costs for one semester, will be matched, under the Matching Gift Program, by a contribution from the First National City Bank, to cover tuition for a second semester. The grant, to be made annually, will be given to a student of Latin American extraction in need of financial assistance who has the intention of joining an American firm in the field of international business. Preference will be given to a married student.

Raul writes: "This is something I have wanted to do ever since I graduated from Thunderbird. As you may see, I have a great interest in helping an individual who may find himself in more or less the same situation I found myself in when I attended Thunderbird. This effort will require a small financial sacrifice on my part, but I feel it is the best manner in which to express my gratefulness to all of those individuals who helped me in one way or another during my school years."

BARONESS VON WRANGELL DIES IN CALIFORNIA

Baroness Mary Ann von Wrangell — Rokassowsky died on September 17th in a Burlingame, California, hospital following several months' illness.

As devoted friends of Thunderbird, the Baron and Baroness funded the beautiful new entrance to the campus.

Born in Baltimore, the Baroness made her home in Phoenix since 1965. The last gift was for the building of the Carl and Ann von Wrangell Center, St. Marine de Porres Parish at 37th and Weir Avenues.

While living in New York City, she was prominent in social and cultural circles. Among the organizations she supported there was the Metropolitan Museum of Art. In addition, she organized the New York City USO and was active in its work. She was an officer of the French Legion of Honor and was cited for arranging the reception for King George VI and Queen Elizabeth prior to World War II when they visited Paris. The title of Papal Countess was bestowed upon her by Pope John XXIII.

She is survived by her husband, Baron Carl von Wrangell, an officer in the Russian Imperial Army in World War I; a stepdaughter, Leta Clews Cromwell of St. Thomas, Virgin Islands, and a sister out of state.

FORMER THUNDERBIRD PROFESSOR DIES

GAIL MURPHY 86, Professor and Director of the International Commerce Department at Thunderbird from 1948 to 1955, died on August 6th, 1973, at a nursing home in Dunedin, Florida.

Born in Dayton, Ohio, he was a sales executive with the British American Tobacco Company for a number of years before coming to Thunderbird. He spent twelve years with the company in Argentina as manager in charge of three affiliate factories. He also spent five years with the State Department in Brazil and Panama.

Retiring in Florida in 1955 he became active as a volunteer worker at Mease Hospital, as a fund raiser for the American Red Cross, as a lay reader at the Episcopal Church of the Good

Samaritan, as a public relations representative for Senior Citizens, Inc., and was much sought as a speaker on Latin American affairs. He also spent a year with Stetson University at DeLand, Florida where he lectured on sales and marketing.

He is survived by an adopted son, B. Robert Bostick, of Lexington, Kentucky.

During his campus days Gail was often referred to as "the little man in the French beret." His deep interest in world affairs and in young people, his ready smile and his abundance of wit and humor won him the respect, admiration and love of his students, co-workers and friends.

AUTHOR STANLEY LOOMIS '54 KILLED IN PARIS

Stanley Loomis, 50, of Stockbridge, Massachusetts, and Paris, died at American Hospital in Paris on December 17th as a result of injuries received when he was struck by a car in the Place de la Concorde.

A nationally known biographer and historian, he was returning from a dinner engagement when the accident occurred. With him were his wife, the former Virginia Lindsey, his twelve-year-old son, Craig, his father, Chauncey C. Loomis of Stockbridge, and his brother, Chauncey, Jr., a professor of English at Dartmouth College. The family had gathered in Paris for the Christmas holidays.

Born in New York City, Stanley moved to Stockbridge with his family at an early age when his father became president of the New England Lime Company in Adams. He received his bachelor's and master's degrees in History and English from Columbia University, and was graduated from Thunderbird in February 1954.

While at graduate school, he became fascinated with the French Revolution and especially with Madame Du Barry, mistress of King Louis XV. His research resulted in a book on Madame Du Barry in 1959, which was picked up by the Book Find Club and received glowing reviews.

In 1963, his book on "Paris in the Terror: June 1793-July 1794" was a selection of the Book of the Month Club and was on the best-seller list. This year,

his "The Fatal Friendship" — a book on Marie Antionette, was well received by both critics and the public.

His works were not only admired by professionals in the field, historians who do not give praise easily to a non-academic; they also attracted the general public, resulting in several printings of each book and selection by the leading U.S. book clubs. His works were translated into several languages, and are on the required reading lists in college history and literature courses.

Several years ago, Stan and his wife took up winter residence on the Rue d'Anjou in Paris. They returned to their Prospect Hill home at Stockbridge each Spring in time for him to plant his extensive flower garden and renew his interest in art.

He is survived by his wife, Virginia, and a son, Craig, who reside at Prospect Hill, Stockbridge, Massachusetts 01262; four stepchildren, his father and two brothers.

DEATH OF WALTER HARNISCHFEGER

Mr. Walter Harnischfeger, a long time member of the Board of Directors of Thunderbird, died on September 21, 1973, in Milwaukee, Wisconsin.

A former President, and retired Chairman of the Board, of the Harnischfeger Corporation, he joined the Company in 1913 when he was 18 years old. He became President in January 1931, and in 1959 was elected Chairman of the Board. He retired from active service in August 1970.

He is survived by his wife, Eleanor; a daughter, Mrs. Elizabeth Ogden; a son, Henry; a sister, Mrs. Rene von Schleinitz; nine grandchildren and two great-grandchildren.

BONNIE WENZ DIES

BONNIE K. WENZ, wife of George Wenz of the Class of June 1970, died suddenly on August 28th. They were living in Munich, Germany, at the time.

George and Bonnie and their two children had been in Munich for several months where he is Sales Manager for the American Greeting Corporation.

George may be reached in care of American Greetings Europe, Gruber Strasse 54, Poing bei Munich, Germany.

THUNDERBIRD ALUMNI FUND ESTABLISHES DIAMOND CLUB

The past three and a half months have shown a substantial rise in alumni giving. Although there have not been as many contributions, the average size of the donations has increased. In this issue of THE THUNDERBIRD we are adding the **DIAMOND CLUB** to give due recognition to those alumni who have contributed \$500 or more in 1973.

The **PATRICK DRIVE** for Funds was instituted in October, and by this time most of you have received an appeal from Mr. James E. Patrick, Chairman of the Thunderbird Board of Directors. Proceeds from this Fund will be used along with the regular alumni contributions for the completion of the campus dining facilities. The kitchen underwent a face-lifting this past summer, but we must renovate and aircondition the dining room before another Summer rolls around.

We ask that you give generously to the Alumni Fund by sending in a cash contribution, or a pledge to be honored before the close of the fiscal year. Remember your contributions are tax-deductible, and that many of our employing companies participate in a Gift Matching Program. If you are employed by a company or organization having such a program we ask that you include the completed Gift Matching Form with your contribution.

PLEASE GIVE GENEROUSLY. You will take pride in seeing your name included with the list of donors in the next issue of the alumni publication.

TOTAL CONTRIBUTIONS — June 15th, 1973-October 15th, 1973 — \$5,380.40

THE CHRIS LARSENS PARTY WITH SPAIN ALUMNI

SPAIN THUNDERBIRDS — (left to right) BILL PEREZ '70 (Johnson Wax Espanola); MANNY BALLESTERO '62 (P. Lorillard Co.); BUD JOHNSON '69 (AIG); CHRIS LARSEN, Director of Special Projects at Thunderbird; ROGER LARSEN '72 (AIG); JERRY SEAY '71 (AIG)

A delightful reception was held at the Madrid home of ROGER and CONNIE LARSEN '72 in honor of Roger's parents, Chris and Valla Larsen, when they visited Spain in July.

Many of the Spain alumni were on vacation, but those who attended carried on in true Thunderbird fashion into the wee hours of the morning.

In addition to those pictured above the following T'birds were in attendance: BOB CACKETT '68 (AFIA), who attended the reception but had to leave for another engagement, Jerry Seay's parents and two brothers, Cathy Perez, Dottie Ballestero, Georgean Johnson, Linda Seay, Connie and Valla Larsen. Unfortunately, we were unable to reproduce the photo of the entire group.

The senior Larsens very much enjoyed being with the group and reported that they are all fine representatives of Thunderbird, the USA, and their respective companies.

LOS ANGELES GROUP MEET AT VILLA TAXCO

By the time this issue of THE THUNDERBIRD reaches its destination the LOS ANGELES Alumni Chapter November 10th meeting will be over. At this early date it looks as though there will be the usual large representation. The affair will be a dinner meeting at the Villa Taxco Restaurant at Sunset and Virgil. President Larry Lipsher and his Board of Directors have made an all out effort to assure that the Fall meeting will be a success. One of the highlights of the affair will be the honoring of Professor Paul Wilson for his many years of devoted service to Thunderbird. Unfortunately, because of a previous

commitment he will be unable to attend. Acting in his behalf in accepting the Award will be Thunderbird President Voris.

The Southern California Alumnus of the Year award is also scheduled to be presented at this time.

More on this in the next issue of THE THUNDERBIRD.

LIBERIA T'BIRDS MEET

Although we have had no official report from the Liberia Thunderbirds, CHARLEY ST. CLAIR '56 tells us that the area alumni met in Monrovia several months ago. MARVIN DOLE '67 of the Liberia Tractor & Equipment Company in Monrovia organized the meeting and we have written to Marv asking for more information — hopefully, we will have it for the next issue of the publication.

ENGLAND CHAPTER PLAN REORGANIZATION

Plans are underway for the reorganizing of the ENGLAND Alumni Chapter, under the guidance of SCOTT WAKEFIELD '66 and MIKE ADAMS '69 and with some assistance from other area Thunderbirds. In September, MIKE reported that they hope to start off with a "get acquainted" cocktail party sometime within the next two months. England T'birds should get in touch with Mike at the Royal Bank of Canada, 6 Lothbury, London or with Scott at Roulston & Company, Inc., 5 Queen Street, Mayfair, London.

1973 FASCHING CELEBRATION IN MUNICH

EUROPEAN THUNDERBIRDS kicked off a festive weekend on Friday evening, March 2nd, by warming up over drinks at the Regina Palast Hotel in Munich. Later they proceeded to a quaint Argentine Steak House where a "gemutlich" supper was served to the tune of live Latin music. The evening was brought to a perfect close by one Thunderbird wife dancing on the table to even livelier Latin music.

On Saturday the group had their usual Hofbrau luncheon meeting with the following Thunderbirds in attendance: Mitch and Judi Summers '64 of Paris; Dave and Lana Hertel '70 of St. Truiden, Belgium; Wolf and Marie Oplesch '67 of Paris; Peter and Nancy Pay '62 of Vevey, Switzerland; Dewey and Sharon Smith '68 of Wolverhampton, England; Vlas and Gail Gedmintas of Antwerp, Belgium and Paul and Pat Reimann of Cologne, Germany. They were joined by John Avard '65 of Ridge Tool Company in Elyria, Ohio, who was in Ger-

many on company business. There were also two non-Thunderbird couples.

In addition to old and new business and reading of the minutes there were various reports given concerning Thunderbird "goings-on" in different countries. Election of officers took place with Mitch Summers being re-elected President, Dave Hertel as Vice President, and Paul Reimann as Secretary-Treasurer, along with various National Chairmen. The Saturday evening costume ball brought out a record-breaking attendance — probably the largest in the history of the Chapter. The group is hoping for an even larger attendance at the 1974 Fasching Celebration.

FASCHING COSTUME BALL — (left to right) Paul and Pat Reimann, John Avard, Dave Hertel and Phil Meadows.

WASHINGTON, D.C. ALUMS HONOR VORIS

STEVE CONGER '48 hosted the WASHINGTON, D.C. area alumni at his beautiful home overlooking the Potomac in honor of Thunderbird President William Voris. The affair was held on Wednesday evening October 10th, with approximately 35 alumni and guests attending. President Voris was particular pleased to meet area alumni and reported a very successful meeting. We understand that photos of the group were taken and if they turn out you will see them in the next issue of THE THUNDERBIRD.

Following the reception, President Voris enjoyed a delightful dinner hour with the DICK BELLS '64.

RIO ALUMS MEET

Jim Phillips '47, Manager of British Caledonian Airways in Rio, recently hosted a Thunderbird alumni party in BCA's Pub on Av. Rio Branco. Assisting Jim in arranging the evening of cocktails and darts were Stan Wilson and Dolph Johnson.

Other T'birds and guests attending were Aloysio Vasconcellos, Bob Garrison, Ward Ryan, Dale Sheets, Bill Anderson, Bill Hayes, Mike Boyatt, Seth Brumley, Joe Z. Van Over, Denis Bourke, Gary Ambrose, Gunter Aron, Rich Tyler and George Souza.

ST. CLAIR '56 DECORATED BY LIBERIA GOVERNMENT

The Executive Mansion
Office of President
Monrovia, Liberia

CITATION BY THE PRESIDENT OF LIBERIA FOR THE ADMITTANCE OF MR. CHARLES L. ST. CLAIR INTO THE HUMANE ORDER OF AFRICA REDEMPTION, IN THE QUALITY OF KNIGHT GRAND COMMANDER — July 23, 1973.

Mr. Charles L. St. Clair
Economist, Businessman, Soldier, Humanitarian

Since your arrival in Liberia in 1969 in the capacity of Vice President and General Manager of the United States Trading Corporation you and your wife, Mary Jane, have made many contributions to the Civic and Social Progress of the Community in which you have lived and worked.

You have served three terms as Chairman of the Council of the Liberian Chamber of Commerce under Presidents Emmett Harmon, Stephen Tolbert, and P. Clarence Parker. During that period you established the Costing Center of the Chamber of Commerce. You also served creditably as Chairman of the Board of the American Cooperative School from 1971-1972. You are an active and faithful member of the Monrovia Rotary Club and have closely identified yourself with the President's High Cost of Living Commission, the National Fund Raising Rally and the National Safety Council.

You aided in the construction of the Eva Deline Orphanage and sponsored the annual Christmas program at that Home.

It is because of your interest in civic and humanitarian causes in this country and because of your family's identification with you in those causes that you have been named for a meritorious citation in the quality of Knight Grand Commander of the Humane Order of Africa Redemption. May you wear it with pride and dignity to yourself, to the honour of Liberia and to the glory of God.

CONGRATULATIONS.

William R. Tolbert, Jr.
President of Liberia

Charley has since resigned his position with the United States Trading Company (Firestone affiliate) and returned to the States. He is currently living in the Phoenix area (Address: 806 West Vista, Phoenix, AZ 85020). The St. Clair's have five children, ranging from five to sixteen years of age.

He joined Firestone after graduating from Thunderbird in June 1956 and served in the Philippines for a number of years before being assigned to Liberia.

THUNDERBIRD VISITORS

LISA LEKIS '48 of Ft. Lauderdale, Florida . . . BILL and KAREN WILLIAMS '61 of Sao Paulo . . . RICH BURRUS '72 of Aurora, Colorado . . . BOB GREENBAUM '72 of Denver, Colorado . . . JACK GREYER '52 of Aurora, Illinois (interviewing for McGraw-Edison) . . . GUS NIXON '70 of Hurst, Texas . . . ART NUNLEY '58 of Florissant, Missouri . . . DON PIERCE '72 of San Francisco . . . CHARLES ST. CLAIR RECEIVES THE MERITORIOUS CITATION in the quality of Knight Grand Commander of the Humane Order of African Redemption from President William R. Tolbert, Jr., of Liberia (left). (Far right) Mr. C. C. Dennis, Minister of State.

PRESIDENT WILLIAM R. TOLBERT, JR. of Liberia, gives a congratulatory handshake to Mary Jane St. Clair.

CARRILLO JOINS NEW MEXICO UNIVERSITY

DR. BERT CARRILLO '62, assistant professor of Spanish at Thunderbird for the past two years, has accepted a position as assistant professor of Spanish at Western New Mexico University in Silver City. His course assignments this Fall include Mexican literature, intermediate and beginning Spanish. In addition he serves as sponsor of the campus Spanish Club.

A native of Guadalajara, Mexico, he received his undergraduate degree at the University of Arizona. Following graduation from Thunderbird in June 1962, he joined CARE with subsequent assignments in Mexico and Haiti.

He returned to the University of Arizona in 1964 to pursue a doctorate and to be an assistant professor of languages. Upon completion of his doctorate in 1970 he joined the faculty at Wake Forest University and in the Fall of 1971 he became a member of the Thunderbird faculty.

1947 FRED LEISERING, formerly Caracas Group Manager for Sears, has been assigned to Bogota, and promoted to President of the Colombian operations of Sears Roebuck de Colombia. Also with Sears at the Bogota headquarters is DON COOPER '48, who has been named Vice President in charge of all merchandising.

1948 We enjoyed an early summer visit with LISA LEKIS of Ft. Lauderdale, Florida, and her sister-in-law of Phoenix. Lisa has completed requirements for a Ph.D. in Latin American Studies. Husband WALT, among other things is a free lance consultant and operates a charter boat service.

BEAN APPOINTED EXECUTIVE DIRECTOR — EXPORT-TO-JAPAN TRADE FAIR

Robert L. Bean '48 was appointed Executive Director of the Export-to-Japan Trade Fair held at Navy Pier November 6-8.

The Chicago Association of Commerce and Industry sponsored the Fair, with the cooperation of U.S. and Japanese governmental and business groups, to promote the sale of American goods and services in the booming Japanese market.

Bean, recently Coordinator of Programs for the Illinois Department of Business and Economic Development, has an extensive background in export promotion. Currently he is a Director of the International Trade Club of Chicago and the Japan American Society of Chicago.

1949 BERNHARD EDGAR writes from Lucerne, Switzerland: "My wife and I plan to take off for a two months' trip through England and Scotland (one month each). Hope to catch some prize salmon in the Scottish Highlands and along the Royal Dee. There is nothing like being retired at a youthful age. I have had seven years of it and can take a lot more. I am not idle, though, quite the contrary. Margot and I plan to visit Thunderbird in January or February. We want to spend about three weeks in Arizona." . . . LLOYD CLARK, formerly of Prescott and now living in Bisbee, has been selected as the first regional administrator for the Southeastern Arizona Governments Organization, which is one of

six planning and development districts in the State. He received a Masters in Public Administration from ASU in 1972, after driving back and forth between Prescott and Tempe three times a week for 18 months. Daughter, Candy, was married in August at the same church in Prescott where Lloyd and Jean were married. Son, Roger, is a senior at NAU, due to graduate in forestry in December. He and his wife, Georgene, spent the summer in the Sierra National Forest marking trees and fighting fires. Daughter, Cindy, is at home in Bisbee, and wife JEAN is getting into the swing by taking up golf . . . We enjoyed several days' visit from KEN and JUNE MILLER when they were on campus for son RANDY'S graduation in August. The Millers have been living in Warren, Ohio, where Ken was store manager for Sears, but will be moving to Sears' Skokie, Illinois, headquarters. He has been promoted to International Operations Manager. Son Randy has accepted a position with the Continental Bank in Chicago . . . An interesting article entitled "Retiring in Costa Rica" appears in the May 1973 issue of THE RETIRED OFFICER. Written by COLONEL JOHN FRISBEE, USAF-Ret., the article confirms what recent ads and alumni say about the beauty of the country, the friendly people and the low cost of living in Costa Rica and other Central American countries. John was so impressed during a fact-finding visit that he plans to move there the next time around. In the meantime, The Frisbees continue to live in Alexandria, Virginia.

1950 JIM BUEHRING updates us on his activities during the past few years: "I recently transferred from St. Clair Shores, Michigan, and brought my family to live in Taipei, Taiwan, where I am project officer of US/ROC Military Vehicle Plant Production Program. I have been out of contact due to the nature of my previous job and the constant military pressures which kept me traveling around the world during the recent war in Southeast Asia. The last 12 years or so, I've been Project Officer and Commodity Manager for the US Armies M113/M113A1 Armored Personnel Carrier family of Vehicles. It is the largest U.S. Combat vehicle fleet in the world and the problems we've had in Southeast Asia have kept me extremely busy. In April of this year, I transferred to the Republic of China and work under a sales case for General Hsuing, Commanding General, Military Vehicle Plant, Combined Service Forces, Republic of China. The Military Plant is located in Taipei and we assemble ¼ ton Jeeps and 2½ ton trucks for Chinese government. The program is presently schedul-

ed to be completed in 1978. My family arrived in July and we are presently living in New Peitou, a suburb of Taipei. We live in a beautiful home high on a mountain overlooking Peitou and Taipei. We have already made several local tours, and we hope to take leave trips to Singapore, Bangkok, Hong Kong and Tokyo." . . . CLIFF MITCHELL, Vice President-Marketing of Mid-Western Machinery Company in Joplin, Missouri, reports that he still travels Latin America regularly and left Chile amid riots 2½ weeks ahead of the September 11th coup.

1951 HOWARD and BILLIE HOOPS write from Bucharest, Romania: "Another country learned, studied and visited. It's beautiful here. Hope to see Dracula's Castle tomorrow. Will head for the Black Sea resorts next week. Traveling is such fun." Howard is an Area Administrator for the American National Red Cross, based in San Francisco.

1952 ALEX MADSEN, Regional Sales Manager for A. B. Dick in Brussels, Belgium is completing his seventeenth year of European living . . . MARRIAN GLEASON, widow of Ed Gleason, is enjoying her work at Tufts University School of Medicine but sometimes wonders what an anthropologist is doing in a psychophysiology lab. Daughter Julia, a student at Bryn Mawr, spent the summer in York, England . . . GEORGE and EILEEN CUMPSTON, formerly of Overland Park, Kansas, are currently residing in the Phoenix area.

1953 BOB MOREHOUSE, Vice President of Wells Fargo Bank, has been named head of the Bank's Far East Group. Formerly general manager of the Tokyo branch, Bob will be headquartered in San Francisco where he will be responsible for Wells Fargo's investment and banking business in the Asia-Pacific region . . . VERNE NAZAREK is a practicing attorney in Santa Rosa, California.

COLEMAN PROMOTED

In order to provide for more fully coordinated management throughout the Far East Zone, the Gamlen Chemical Company has promoted RICHARD COLEMAN '54 to the position of Director of Operations-Far East Zone.

As Director he will continue to be based in Tokyo and in addition to his continuing responsibilities as General Manager, Gamlen (Japan) Ltd., he will be responsible for the day-to-day marketing, technical and operational activities of Gamlen in the Far East Zone.

1954 KERMIT ADAMS writes from Tegucigalpa, Honduras: "It is with a great deal of appreciation that I write you of my being named director of the Escuela Agricola Panamericana on July 9, 1973. I say appreciation, for it was Thunderbird School which gave me the opportunity to prepare myself for a career in Latin America and helped form my pragmatic philosophy of education. This is one of the most beautiful campuses of any school in the Western Hemisphere. It has 200 structures of stone, tile and Spanish cedar constructed by skilled Honduran Master Masons and carpenters. Further, it has approximately 1000 head of cattle, as well as a large dairy herd, swine and poultry. The fruit, vegetable field crops and forestry programs, as well as the livestock programs provide centers of training for agriculturists from all parts of Latin America. Presently we have students representing 13 countries and a faculty composed of instructors from 12 countries." . . . PHIL KIRK has been named Group Vice President of the Kewanee Oil Company with responsibility for the Chemical Division and Mathiasen's Tanker Industries, and has moved from the Cleveland area to Bryn Mawr, Pennsylvania. He has also been elected to the firm's Board of Directors and Executive Committee. He was formerly President for The Harshaw Chemical Company, a subsidiary of Kewanee Oil Company. . . . The McNEILL WATKINS are living in the Coral Gables, Florida, area where he serves as General Attorney for Texaco Inc. He reports: "Being off the beaten track I don't see many T'birders. My new job is in charge of legal matters for Texaco, in Latin America, West Indies and the Bahamas in the producing, refining and sales side of our business, and in West Africa sales and refining."

ATTENTION: SKI and VACATION MINDED THUNDERBIRDS

DAN ROMANOFF '55, known for his successful business ventures, offers all ski and vacation minded Thunderbirds the hospitality (at reasonable rates, of course) of his latest acquisitions — THE GENERAL PALMER HOUSE and THE GRANDE PALACE hotels in Durango, Colorado.

Situated in the heart of the ski country and just forty miles from Purgatory — a skier's utopia, Durango offers a glimpse into the historic past. Surrounded by the spectacular peaks of the San Juan National Forests, warmed by the southwestern sun, the region is blessed with a natural snow belt that produced over 450 inches of snow during the 1972-73 ski season.

The General Palmer House and The Grande Palace hotels combine the informal with authentic Victorian and with a friendly atmosphere amid the plush decor of the 1880's. Every modern comfort is at hand — drive-in convenience, ample parking, family accommodations, television, dining, telephones, air conditioning, transportation to and from the Purgatory ski lifts, etc.

Rio Grande-land is the pioneer business section of Durango adjacent to the classic Rio Grande Railroad Depot, which has been restored and modernized as a living memorial to early-day railroading. The old Silverton Train, the last of the West's narrow guage railroad pioneers, is in daily operation from June through September between Durango and Silverton, Colorado.

If you plan to spend your next vacation with Dan at one of the two hotels we advise you to make your reservations early by calling (303) 247-4747, or by writing to P. O. Box 1048, Durango 81302. You can take Frontier Snow Club flight from Denver to Durango, the jumping off place for the Purgatory ski lifts.

1956 COMMANDER JOE ZVANOVEC, USN, is looking forward to his third tour of duty in South America. He is currently stationed in Brazil . . . BOB CONNELLY left Armco several months back and is now employed as General Sales Manager for Serran Tecnia Industrial, S.A. in Sao Paulo.

1957 JIM and MARY ELLEN DYER and family have moved from Dallas, Texas, to Newport Beach, California, and Jim is Director of Marketing Services for a fast-growing pharmaceutical company . . . BELMONT HAYDEL has been named as assistant professor of Business Administration at Texas A & I University at Laredo . . . CRUZ MORA made one of his rare visits to campus a few weeks ago. Currently he is a probation officer for Los Angeles County. The Moras and their three children live in Torrance.

HOFFMAN NAMED ACCOUNT SUPERVISOR

Philip D. Hoffman '58 has been promoted to account supervisor at Aaron D. Cushman and Associates, Inc., a National public relations and marketing firm headquartered in Chicago. Phil joined the agency in July 1972. Prior to that time he served as public relations director of the Bloom Agency, Dallas, and was a staff member of Harsh-Rotman & Druck in both Chicago and Dallas.

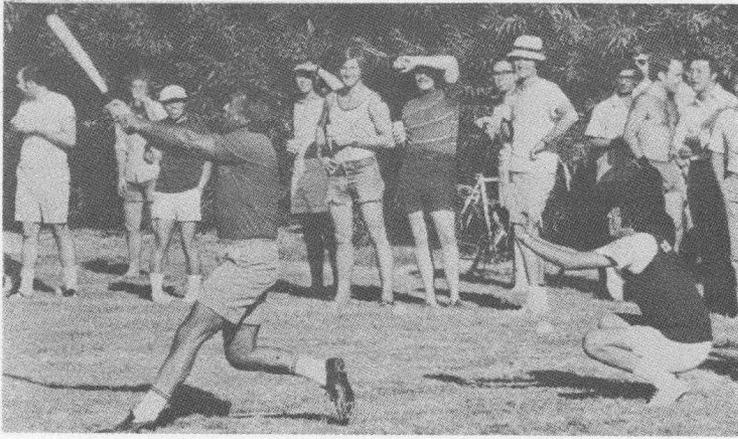

Phil and his wife and son live at 1142 Ash, Winnetka, Illinois.

1959 MARILYN BUCKWALTER reports from Seattle, Washington, that BUCKY was recently appointed Assistant General Manager for the Seattle Supersonics . . . DAVE YOU-MANS, Director for Foster Parents Plan, Inc., in Bogota writes: "We have a very large enrollment now and will service 8100 Colombian families by year's end. My wife, Anita, is well and three sons are studying in Bogota. Vacation in Florida and the Keys was welcome and restful. Europe next year." . . . As maintenance engineer for the Boeing Company, BART HARTZELL is doing his share of traveling — recently visited Olympic Airlines in Athens, and later was shipped off to South Africa Airways in Johannesburg. The Hartzells live in Bellevue, Washington.

GOODYEAR PROMOTIONS AND TRANSFERS

Goodyear International Corporation has promoted three Thunderbird employees. WALLY LIFE '60, formerly vice president and managing director for Goodyear-Peru, has been named sales director in Brazil. BILL MARKS '54 assumes Wally's former post in Peru. Bill has been back in the Akron Home office for the past year as manager of tire marketing. CLAUS MORCH '64, formerly assistant to the sales director at Goodyear-Sweden, has been promoted to area manager, export sales, Beirut, Lebanon.

1960 HOWARD HALL in Hong Kong writes: "For the third unexpected time since graduating in 1960 I ran into BILL NYSTROM. Previous times were in a Hong Kong bar in 1963, and in a Los Angeles shoe shine stand in 1967. This time was in the Singapore Airport in June of this year. Bill was on a 'round the world tour from American Express Travel Bureau in San Francisco and I was traveling in connection with my position as investment management officer for Bank of America in Hong Kong." . . . Following several years in the business world, BOB BALLINGER has switched to the

VORIS AT BAT

academic field. In preparation for this he earned an MBA at Cal State (at nights), and received an appointment as an assistant professor of business administration at Berkshire Community College in Pittsfield, Massachusetts . . . BOB CASTILLO called from San Diego a few weeks ago to report that he was being transferred from Bogota to Rio by Smith Kline & French Laboratories.

1961 JIM PARKER has been appointed general manager — production planning and inventory control for Heinz U.S.A., division of the H. J. Heinz Company, and is based in Pittsburgh . . . GEORGE BENSON is confined in the Palmcrest North Convalescent Hospital in Long Beach, California and reports that shortly after the first of the year he will be moving to the Valley. His mother has purchased a home in Sun City. George will be in the Beautitude Campus of Care in Phoenix until such time as his name comes up on the waiting list of the Sun Valley Lodge in Sun City . . . On June 1st, JIM BLACK was named Vice President and General Manager of the Philippine organization of G. D. Searle & Company. He spent the past year at the home office in Skokie, Illinois, and for five years previous the Blacks were based in Puerto Rico.

1962 GEORGE MENDENHALL is Managing Director of ETAK International, Ltd. (importers of fresh fruit and vegetables) in Hong Kong . . . JOHN KELLEY writes from Memphis: "I finally got married on March 25, 1972. Four T'bird classmates attended the wedding — TERRY and MARILYN SINGER and RALPH and MAUREEN HANNING." John is President of Southern States Industries, Inc.

in Memphis . . . After bouncing around Asia and South America for eight years, BILL and HELEN HEYDEN have settled in the Skokie, Illinois area, where he is an agent for Allstate Insurance. Helen is studying to be a chiropractor . . . MACKIE CORNWALL left Gardner Advertising and St. Louis for a position with Bozell & Jacobs, Inc. and will principally be serving the international advertising interests of J. I. Case. He is based in Racine, Wisconsin.

1963 TOM and FAYE WRIGHT and family are back in London and Tom is working for Merrill Lynch — Brown Shipley New Merchant Bank . . . GLENN GLAD writes from Zurich, Switzerland: "It's home leave time again but this time we will unfortunately not be passing through Phoenix. I used some vacation time this year to spend a week in the mountains and Laura and I took a week's honeymoon in London. Life continues to present new opportunities for us to help us understand the meaning of it all, and except for a few health problems we are most happy." As Manager of Bank-Firestone Ltd. in Zurich, Glenn spent some time in New York hob-nobbing with bankers and brokers, then on to Akron headquarters for some briefing . . . JIM RIDDLE is employed by Tele-dyne, Inc. in Seoul, Korea.

1964 LUIS PI-SUNYER left the American Express Company after 4½ years and joined the Export Credit Corporation, a rapidly expanding finance company for U.S. exports. He travels all of the Western Hemisphere with responsibilities for business development and growth in that area . . . DON NELSON and his family are living in San Juan, Puerto Rico, where he is Assistant to the Market Research and Control Manager of

Caribbean Refrescos, Inc., a subsidiary of Coca-Cola Interamerican Corporation . . . DAVE GOLDMAN has formed his own commercial real estate leasing and management firm d.b.a. Real Corporation, with offices in both Las Vegas, Nevada and Santa Monica, California . . . JOHN BAKER stopped on campus a few weeks ago enroute to his new position with the international division of Bethlehem Steel in Cleveland.

MORGAN JOINS NEWPORT NEWS INDUSTRIAL CORPORATION

ROGER D. MORGAN '64 has joined the newly renamed Newport News Industrial Corporation (formerly NSC) as Vice President of sales and marketing.

He will head NNI's reorganized marketing division, with responsibilities including management of the company's field sales organization, product planning, marketing development and overall business development strategy.

Roger joined Caterpillar Tractor Company after graduating from Thunderbird in June 1964 and spent seven years in Europe in marketing and dealer administration. Most recently he was supervisor of Sales Training at the Peoria headquarters.

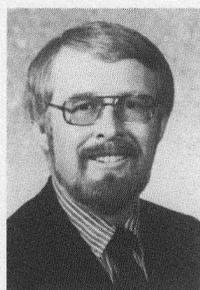

Roger and Heather and their adopted daughter, Michelle, will reside in Newport News, Virginia.

1965 CHUCK HARDY is an international representative for Beckman Instruments based in Carolina, Puerto Rico . . . DON LITTLEFIELD is trying to locate BILL MUSTARD who attended Thunderbird for one semester in 1965. Anyone having information on Bill please get in touch with Don at 205 North 23rd Street, Richmond, VA. 23223.

1966 ANDY and CLAIR CHRYSOLOR are living in the London, England, area where he is Area Director-Europe & Africa Division of Allergan Pharmaceuticals . . . BOB HOSKINS arrived in Sydney, Australia, last November to assume the position of International Representative for the Continental Insurance Companies . . . Following seven years with Allis Chalmers, ED HILL is now a Market Analyst for Ford Tractor Operations, based in Troy, Michigan . . . BUZZ AHRENS writes from Dallas, TX (4748 Forest Bend): "Joined Hagger Company earlier this month with the task of establish-

ing an international program from scratch. I would be interested in hearing about market conditions in all those far-off places." Buzz will serve as International Development Manager . . . The JIM KOESSLERS have been transferred from El Salvador to Caracas by the First National City Bank . . . BOB DOLEZAL stopped on campus a few weeks ago to report that he is currently Urban Planner for the City of Tucson . . . ANN ZEKIAN and daughter, Melanie, of Rio de Janeiro, visited the alumni office in July. Ann is teaching English as a foreign language at the Brazilian Army Language Institute.

FELLABAUM '66 JOINS UNIVERSAL-RUNDLE CORPORATION

Dennis J. Murphy, National Sales Manager, U/R Division, Universal-Rundle Corporation, recently announced the appointment of ROBERT A. FELLABAUM as district sales manager for New England.

Formerly with Mc-Millan Radiation Labs, Bob will make his headquarters in Ipswich, Massachusetts, while servicing the New England market, where U/R has just started a new fiberglass plant in Leominster, Mass.

Universal-Rundle Corporation, headquartered in New Castle, Pennsylvania, has manufacturing facilities in nine states, and markets its fiberglass, vitreous and acrylic fixtures, as well as brass fittings, vanities and associated bathroom products nationally.

PADEN '67 NAMED DIRECTOR

J. MARK PADEN has been named Director of the Europe/Mid-East/Africa Department of North Carolina National Bank in Charlotte. He joined NCNB's International division in January 1973 and is an assistant vice president.

Prior to joining the Bank he spent several years with the American Express Company in Germany.

1967 CHUCK GRAHAM writes from Chicago: "I came out here from Manny Hanny and New York in March 1971 when the Northern Trust Company made me an offer I couldn't refuse." Chuck is 2nd Vice President, and Head of the European, Mid-East Section . . . After four and a half years in Singapore, BILL and MARINA BROWN and sons have been assigned to Monterrey, Mexi-

co, by Elizondo, S.A. a subsidiary of the Carrier Corporation . . . STEVE STRAWN is now working for Copolymer Rubber and Chemical Corporation in Baton Rouge, as a Development Chemist in the Applications Research Department. . . RON LARSEN writes from Honolulu: "I have my own mortgage brokerage company and would like to hear from fellow graduates connected with Banks on what financing they have for Djakarta, Singapore and U.S. Trust Territories. Congratulations to JIM ROONEY on his continuing success." You can reach Ron at 843 Fort Street, Suite 508, Honolulu 96813 . . . The WAYNE ROHLFS are located in Schipol East, The Netherlands, where he is a project manager for the Koehring Company.

1968 On a TWA flight from Chicago to New York BOB BEAN '48 sat next to DAVE McINTYRE, who was on his way to Spain and Portugal. Bob reports that Dave is the Advertising Manager for Seven-Up International, headquartered in St. Louis . . . DAN and DIANE LOWERY are back in the States and living in Brewster, New York. Dan has been assigned to the New York head office of FNCB as an assistant Vice President in the Middle East Division . . . BILL SIMPSON writes from Pawling, New York: "After two years at Barclays Bank International I resigned to return to teaching. I taught French and Public Speaking at The Hill School for two years after graduating from Thunderbird. Am now Master, French Teacher and Soccer Coach for Trinity-Pawling, a boarding school" . . . DICK BUGELWICZ reports: "My wife, Bonnie, and two kids, Richelle (6) and Matt (4) — have finally ended a seven month Odyssey and arrived back at our starting point, Germany. In between we were located in Frankfurt, New York, Tucson, Fremont, Nebraska, a cabin on the Delaware River, and finally Muenchen. During this time I resigned from American Express and entered a career program with Merrill Lynch International. If any Thunderbirds located in Europe need information on their investments or portfolios, I'll try to assist them. Just drop me a line at Merrill Lynch, Dienerstr. 21, Muenchen and include your telephone number" . . . AL VANNETZEL has been promoted to Market Director of the packaging division of American Can Company and has moved to Paris . . . Following a year with Calgon Corporation and three years with Gallo Wine, BOB BLOMQUIST joined Sacramento Foods as Marketing Manager. As new product manager for Calgon he created Cling-Free Aerosol Fabric Softener . . . BERT PINARD reports from Istanbul, Turkey, where he is District Manager for Sales and Marketing for the Ford Motor Company: "My district has this year become 2nd largest world market for Ford tractors. Only the U.S. is larger in total units

old. This has earned me another promotion." . . . MASA AKI NAKAMOTO has been promoted to Far East Representative of Koehring operations based in Tokyo . . . DICK AUSTIN is Business Manager and Administrator of POINT, a philanthropic foundation in San Francisco . . . MARY LOU PAULSON is employed by Armor-Dial in Phoenix.

NURRE '68 JOINS CHICAGO BANK

WILLIAM B. NURRE '68 has been named a Vice President in charge of the Far East Division of the Harris Trust and Savings Bank in Chicago.

He joined the Bank of California after graduating in 1968, and in the Spring of 1971 accepted a position with the City Bank of Detroit. He was named an assistant vice president of the Detroit bank in 1972, and served in that capacity until his recent move to the Harris Trust and Savings Bank in Chicago.

1969 RALPH GIRARD has been named assistant vice president, multinational banking, in Wells Fargo Bank's international division, based in San Francisco. He was formerly an international banking officer of Marine Midland Bank in New York . . . KAREN URBANO writes: "At long last we are looking forward to an out of the country assignment. RAMON will be assigned to Monterrey, Mexico, at the beginning of August. It will be for Reproductoras Shaver, S.A., an affiliate of Cargill . . . MARV DE VOE, formerly with American Express in Germany, now has his own auto dealership in Dedham, Massachusetts . . . On August 1, ED BORGENS joined the Professional Equity Development Company, an Arizona corporation, and its five subsidiary California corporations, as Controller. He is based in the San Diego office, and manages to keep busy evenings by teaching classes in Business Computations at Southwestern Community College, and a second course in Foreign Trade Principles and Practices at San Diego Mesa Community College . . . MIKE WILEY of Modesto, California, will soon finish his active reserve commitment. Currently he is a sales representative for General Foods . . . EVERETT HERDA received his promotion to Second Vice President of Chase Manhattan in Santo Domingo, Dominican Republic, in August — on the same day that the first Herda heir arrived . . . ROBERTO DE VALENCIA writes: "I have just completed a year tour in Holland where I was attending two courses under a fellowship of the Dutch Government. I am back in Bogota and once more join FNCB, and with good luck on my side I may become a branch manager in a short while" . . .

JIM DOROBIALA was recently named Assistant Treasurer and Operations Manager of the Saigon, Vietnam, branch of Chase Manhattan . . . As Far East Service Representative for Clark International Marketing, S.A., TOM KRILL expects to be traveling the area from India to Japan and south through Indonesia 40 to 60% of the time. Based in Hong Kong, he has FRANK CAHILL as a co-worker . . . We had a nice visit with LARRY LAMB of Chase Manhattan when he called from New York a few weeks ago. He mentioned having met MARY SECUNDA '72 on one of his recent flights . . . CHUCK GAME-ROS is employed by the Travelers Insurance Company in Hartford, Connecticut, and reports that he has been promoted to senior marketing analyst . . . In January, the JOHN HEARDS were transferred from USAID/Costa Rica to AID/Washington. The Heards have a new son — Jorge Arturo Heard — aged 14 — adopted while they were in Costa Rica . . . BOB HUGHES brings us up to date on his activities in the past few months: "I am managing director of EX-IM Ltd., in Hong Kong and have also started a new firm with a non Thunderbird. I married Miss Honey Leung on March 31st of this year." . . . DOUG and BARB WAGNER are living in Costa Mesa, California, and he is employed as assistant export manager of ALTEC, manufacturers of speakers, amplifiers and telephone equipment . . . PETER WEHMANN is an account executive for the William Esty Advertising Agency in New York City . . . BRIAN GAULER reports from Fond du Lac, Wisconsin: "Things are finally beginning to shape up at International Mercury Outboard, and I have just recently been promoted to a semi-staff marketing position with the title of Market Development Manager-Far East. One of the nice things about the promotion was the three-week trip covering 22,000 miles throughout the Far East and Pacific." . . . CHARLES RUTLEDGE is an assistant project officer for the United Nation's World Food Program in Kabul, Afghanistan.

1970 GARY and JANET (MULLERT) HIBBARD, formerly of G.D. Searle Company in Manila, arrived in Bangkok in July following an extended California vacation. Gary is Marketing Manager of Searle operations in Thailand . . . LYNN HURLBERT is Supervisor of Services for Transocean Chemicals Company, based in Houston. As a member of the Texas International Trade Association he serves as Program Director under CEC ROUSSER '64, President. Cec is also Western Marketing Director for the Houston Port Authority . . . WESTINGHOUSE ANNOUNCES MOORE APPOINTMENT

Westinghouse Air Brake Company, Peoria, Illinois, recently announced the appointment of JOHN A. MOORE '70 to the position of International Sales Representative. In this capacity, he will be responsible for the Company's marketing and sales functions in Central America and the Caribbean.

John is a native of Port Huron, Michigan and was a 1966 graduate of Western Michigan University. He joined Westinghouse in September 1971 and has held various positions of increasing responsibility in the Company.

He served in the U.S. Army and worked for the Defense Intelligence Agency in Washington, D.C. prior to employment at Westinghouse.

and Singerman in Prince Frederick, Maryland . . . TERRY and GINNY CHAMBERLAIN arrived in Geneva, Switzerland, some months ago on an assignment for Caterpillar Tractor Company, and STEVE MONTAGUE-POLLOCK has been transferred to Cologne, Germany, by AFIA . . . CHONG RHEE and TED MARTIN have opened an import-export firm in Los Angeles d.b.a. Amerikie International . . . PHIL WILKEN recently joined Channel Master Far East, Ltd. as General Manager in Taiwan. The Company, a division of Arnet, deals in consumer electronics. He has received a Master's Degree from the Graduate School of Foreign Trade of Sung Kyun Kwan University in Korea . . . LYNN CUMMINGS reports from Telluride, Colorado: "I am currently employed with the Telluride Company. This is the corporation that is doing all the land and ski development in this breath taking mountain community. My job is marketing research. This is what I have been doing for various firms since leaving Thunderbird." . . . MARV HANCOCK has been working for Bank of America since graduation and in September '72 was posted in his first overseas assignment to work as an advisor to the Bank's 25%-owned affiliate, Bank of Credit and Commerce International, in Luxembourg. He is now stationed in Abu Dhabi and specifically assigned to BCC's East Regional Office . . . SHEP ROOT writes: "As you can see from my letterhead, I am no longer in Sun Valley, Idaho. Right now I am President of the Pointe South Development Company in Boca Raton, Florida. I have become a land developer and am building a new high-rise apartment building here. As soon as the current projects are finished I think I am going to retire —

probably next spring or early summer. My new sailboat has arrived from France and is being fitted out for circumnavigation. I'm planning to sail all the way around the world during the next two or three years."

1971 MAHLON BARASH reports from Arlington, Virginia: "Presently, I am working for the Overseas Private Investment Corporation in Washington, D.C., as a financial analyst. I have been here since May 21st. From December 1971 to March 1973, I worked as a project manager for Planned Neighborhoods Division of IBEC Housing International. I was in charge of four subdivisions of low income modular housing in rural Virginia." Mahlon will receive a Master of Arts degree, with a major in anthropology, from The Pennsylvania State University in Dec. '73 . . . SAM SOK YO is Plant Manager for Aero Trading Company (Canada) Ltd. (a seafood processing company) in Tofino, British Columbia . . . DAVE MILTON has joined Tracy-Locke Advertising and Public Relations Company in Dallas, as an account executive. Prior to joining the company he was with J. Walter Thompson in New York . . . WALT NAGEL has been promoted to Export Manager of MACTAC International, a division of Morgan Adhesives, in Stow, Ohio . . . MARTHA REINER writes: "KARL has been named international trade analyst for the U.S. Department of Commerce in Washington, D.C., and we are now living in Springfield, Virginia . . . DAVE RICH is a marketing representative for Mobil Oil Corporation in the Seattle area; CHUCK RICHARDS is account manager for Ryder Trucks, Inc. in San Francisco; BOB RICHTER recently joined the United California Bank in Los Angeles and BILL SPITLER is an international trade specialist with the U.S. Department of Commerce in New York City . . . PEGGY WATSON resigned her position with Bank of America in San Francisco at the end of August and is spending a semester as visiting bursar on the World Campus Afloat — destination, the Orient and South Pacific area.

WINNING JAMAICA TEAM COACHED BY AUBLE

Under the expert guidance of National Basketball Coach ED AUBLE '72, the Jamaica Amateur Basketball Association's Team defeated the United States Naval Base Team from Guantanamo 3-0 in a recently concluded three-game series for the Gillette Trophy.

Ed was selected as coach of JABA last July. Currently he is working with the government and community leaders to establish a foothold for the sport in the Island. "We are trying to institute a program for the youth. Poverty and crime are great problems here and this

sport should help to guide the youth into socially acceptable channels. Also, we are aiming for the 1980 Olympics."

Basketball is Ed's spare-time activity. On the business side of life he is Personal Accident Insurance Manager for the American Life Insurance Company (AIG) in Kingston.

1972 JIM BAXTER was scheduled to arrive in Caracas in October as assistant territory manager for International Harvester Export Company . . . LEN BLACK is marketing manager for Boyle-Midway International in Rio Piedras, Puerto Rico; GEORGE CRANE is in the marketing division of Lee Homes Corporation in Yuma; JACK DENMAN is assistant to the president of the Citizens State Bank in Nevada, Missouri, and WALKER CURTNER is District Manager for the National Motor Club in Dallas . . . SUSAN CORCORAN writes: "I have been assigned by the First National City Bank to its head office in Ecuador as an executive trainee in the corporate banking group. I recently completed six months' training in New York and arrived in Quito on September 23rd after vacationing in Aruba and Bogota, I ran into MIKE BURKE, who had just completed a stay in Ecuador as a member of the Bank's inspection team." . . . TOM DUANE, Sales Manager of the Latin American and Caribbean division of H.D. Lee Company in Hartsdale, left on September 4th for an extensive business trip through Puerto Rico, Curacao, Aruba, Jamaica, Panama and Colombia . . . JERRY DYSON is employed by the advertising firm of N.W. Ayer in Chicago, as an account executive on the Gerber line of baby-wear . . . development specialist for the Navajo Small Business Development Corporation in Gallup, New Mexico, and GERRY O'BRIEN is a management trainee at United California Bank in Los Angeles . . . MIKE GARDINER reports from Yonkers, New York: "I have a new, exciting job with Hertz (Rent-a-Car) in its international marketing department. The company is trying to expand its fly-drive programs throughout the world and another fellow and myself were hired to develop and plan these tours." Mike was formerly with a New York travel agency . . . VIRG HARP accepted a position with the Pacific Basin Trading Company of Athena, Oregon, as a shipping coordinator. As such, he is responsible for the canvassing of distributors, determining their needs, ordering the necessary engines from Japan and seeing that they get to the proper port and are allocated as per request . . . BOB GEWALD writes: "After graduating from Thunderbird I graduated from Naval Officer Candidate School to become an Ensign — then spent 6 months and graduated from Naval Supply Corps School in Georgia to become a Supply Officer — then graduated from Shipboard Uniform Automated Data Processing Systems to run automated supply in the navy — then off to the USS Sylvania, the number one automated supply ship servicing the 9th Fleet in the Mediterranean." . . . JERRY LE CLAIR has been promoted to Industrial Sales Manager of Parker Pen Company, based in Janesville, Wisconsin . . . AL OSTROFE reports that he is now with J. Walter Thompson Company in Frankfurt, and while attending a meeting in Hamburg ran into MAC MESSENGER at the airport . . . At last writing DICK and MARIAN KING were looking forward to their September 2nd arrival in Wolverhampton, England, on an assignment for Goodyear International . . . TOM McCOY of the Mercantile Bank in St. Louis, was a member of the recent trade mission to Japan, Taiwan and Korea . . . MARK PITTMAN is teaching courses in international

business, marketing and advertising at the University of the Americas in Puebla, Mexico, and LARRY RATNER is working on a Ph.D. in psychology at the United States International University in San Diego . . . JON STEELE is working for the Perini Land Development Company in West Palm Beach, Florida. Perini is one of the largest construction companies in the US . . . A word of advice from JACK SCOTT of Henkel International GmbH in Germany: "I strongly urge prospective grads (who definitely have the language facility) to consider applying directly to European firms, particularly if the employment situation is still tight in the USA." . . . BILL RYE is a technical management trainee with Jorges Carpet Mills, Inc. in Rossville, Georgia.

1973 JIM FITZHUGH is a management trainee with the transportation brokerage firm of Harper & Robinson in San Francisco; K.B. Marshall is regional sales director for the Del Webb Corporation in Oakbrook, Illinois, and JESSE WILSON is a consultant with Thomas H. Miner Associates in Chicago . . . Following their September 14th marriage, PAT and BETH (CASE) ROGGE settled in Seattle, where Pat is a marketing assistant in the international division of Campbell's Soups . . . GUNTER KOHLE is Middle East Manager-Sector Security, of Pan Am, based in Germany. Gunter retired on June 20th from the German Naval Air Wing with the rank of Lt. Commander . . . MIKE and SHARON QUINN report that they are enjoying life in the Philadelphia area, where Mike is an international marketing analyst for the Eaton Corporation . . . GEORGE HARDY of Colgate-Palmolive in New York was a recent campus interviewer . . .
