ROUGH RIDER

Let the whole world

speak to you of *life*

Come alive as a person

Be aware of yourself,

of all your talents,

your strong points and

your weak ones and

especially become aware

of other people.

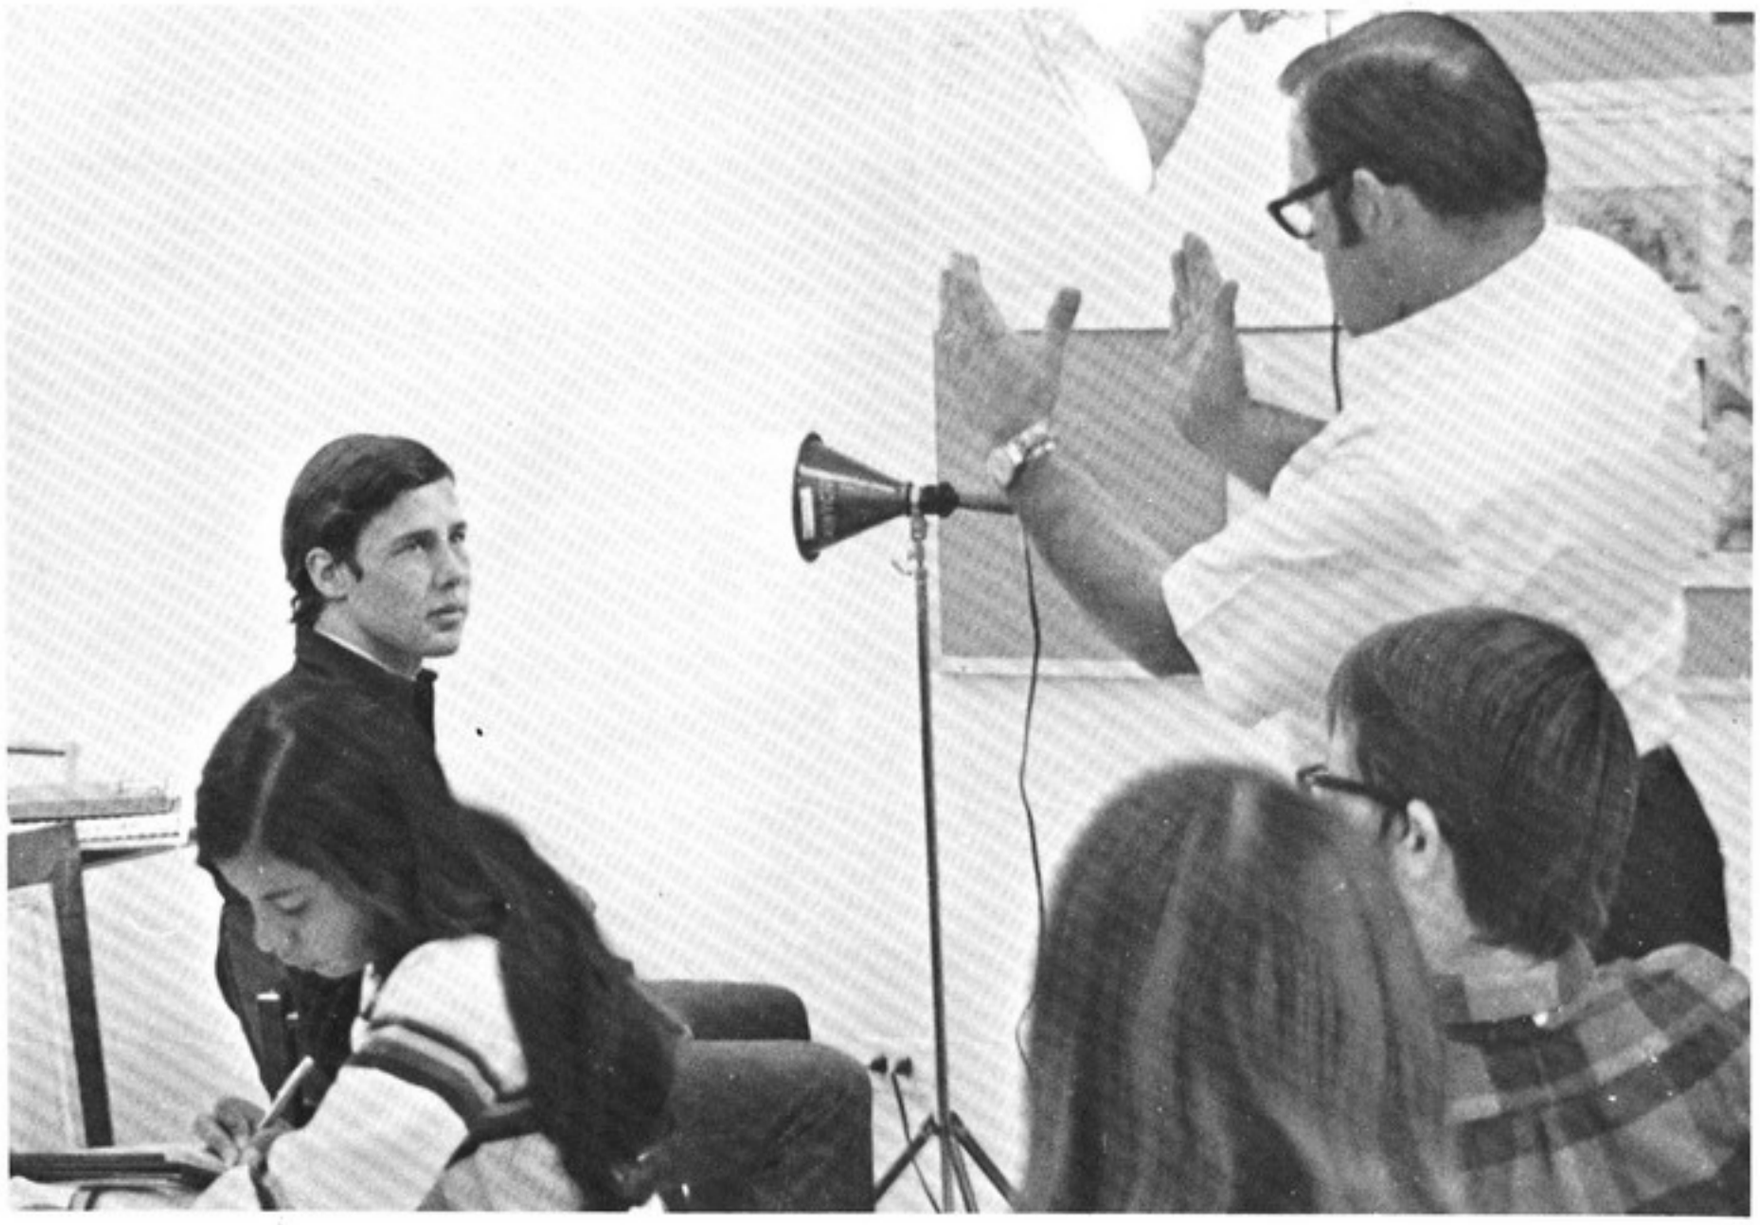
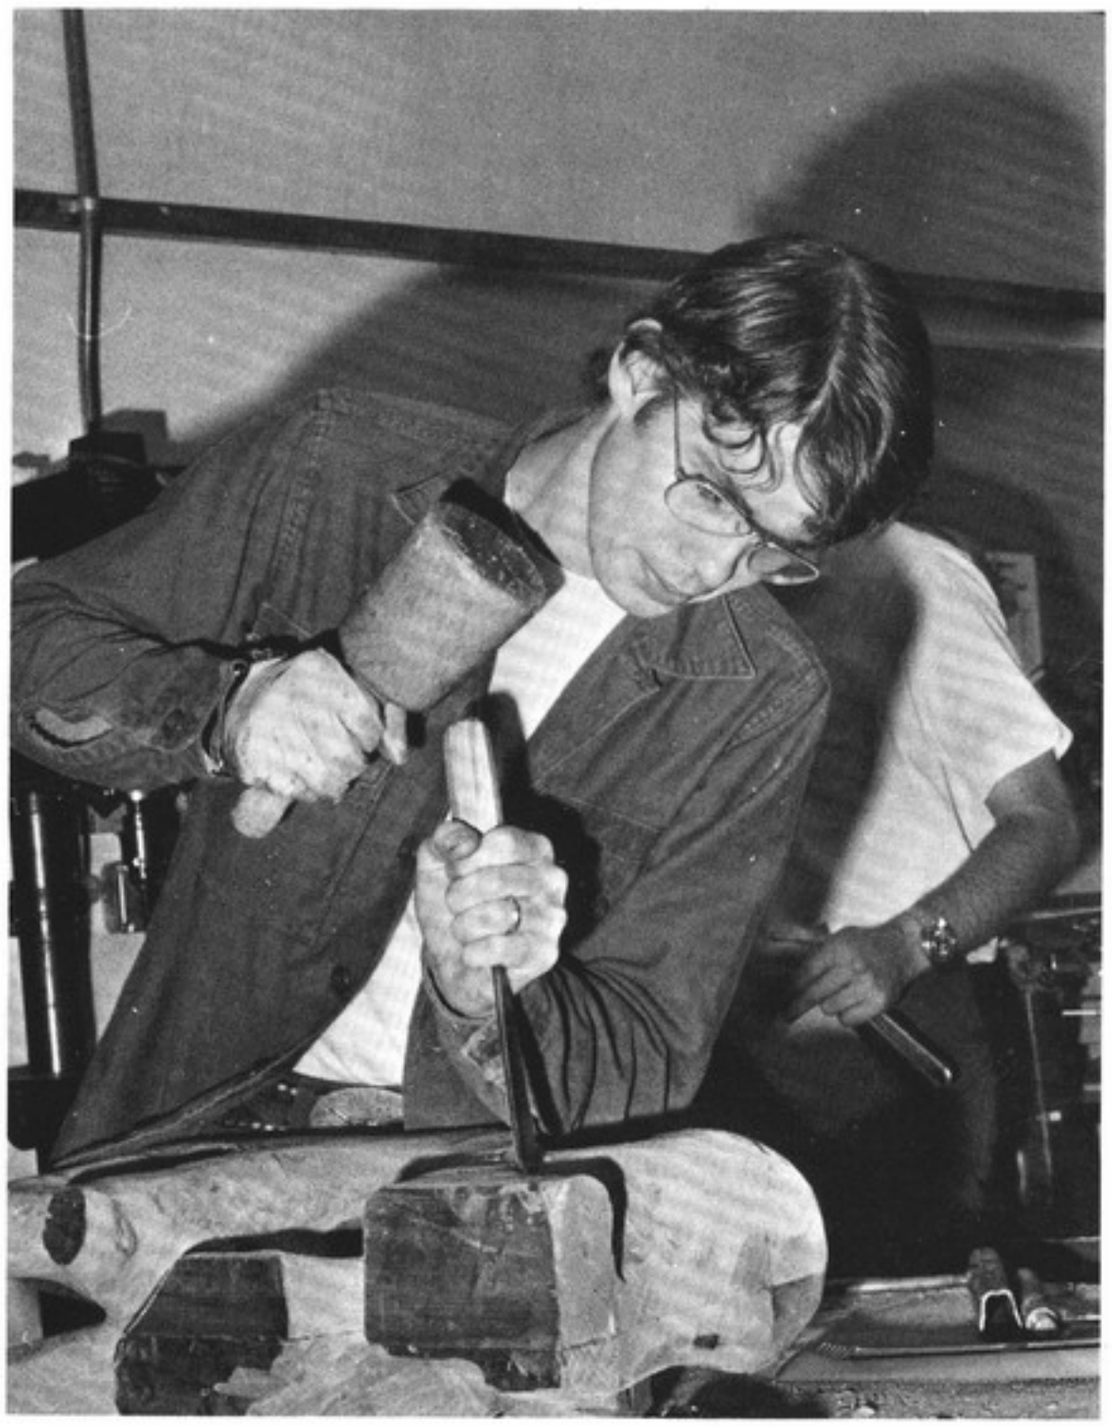
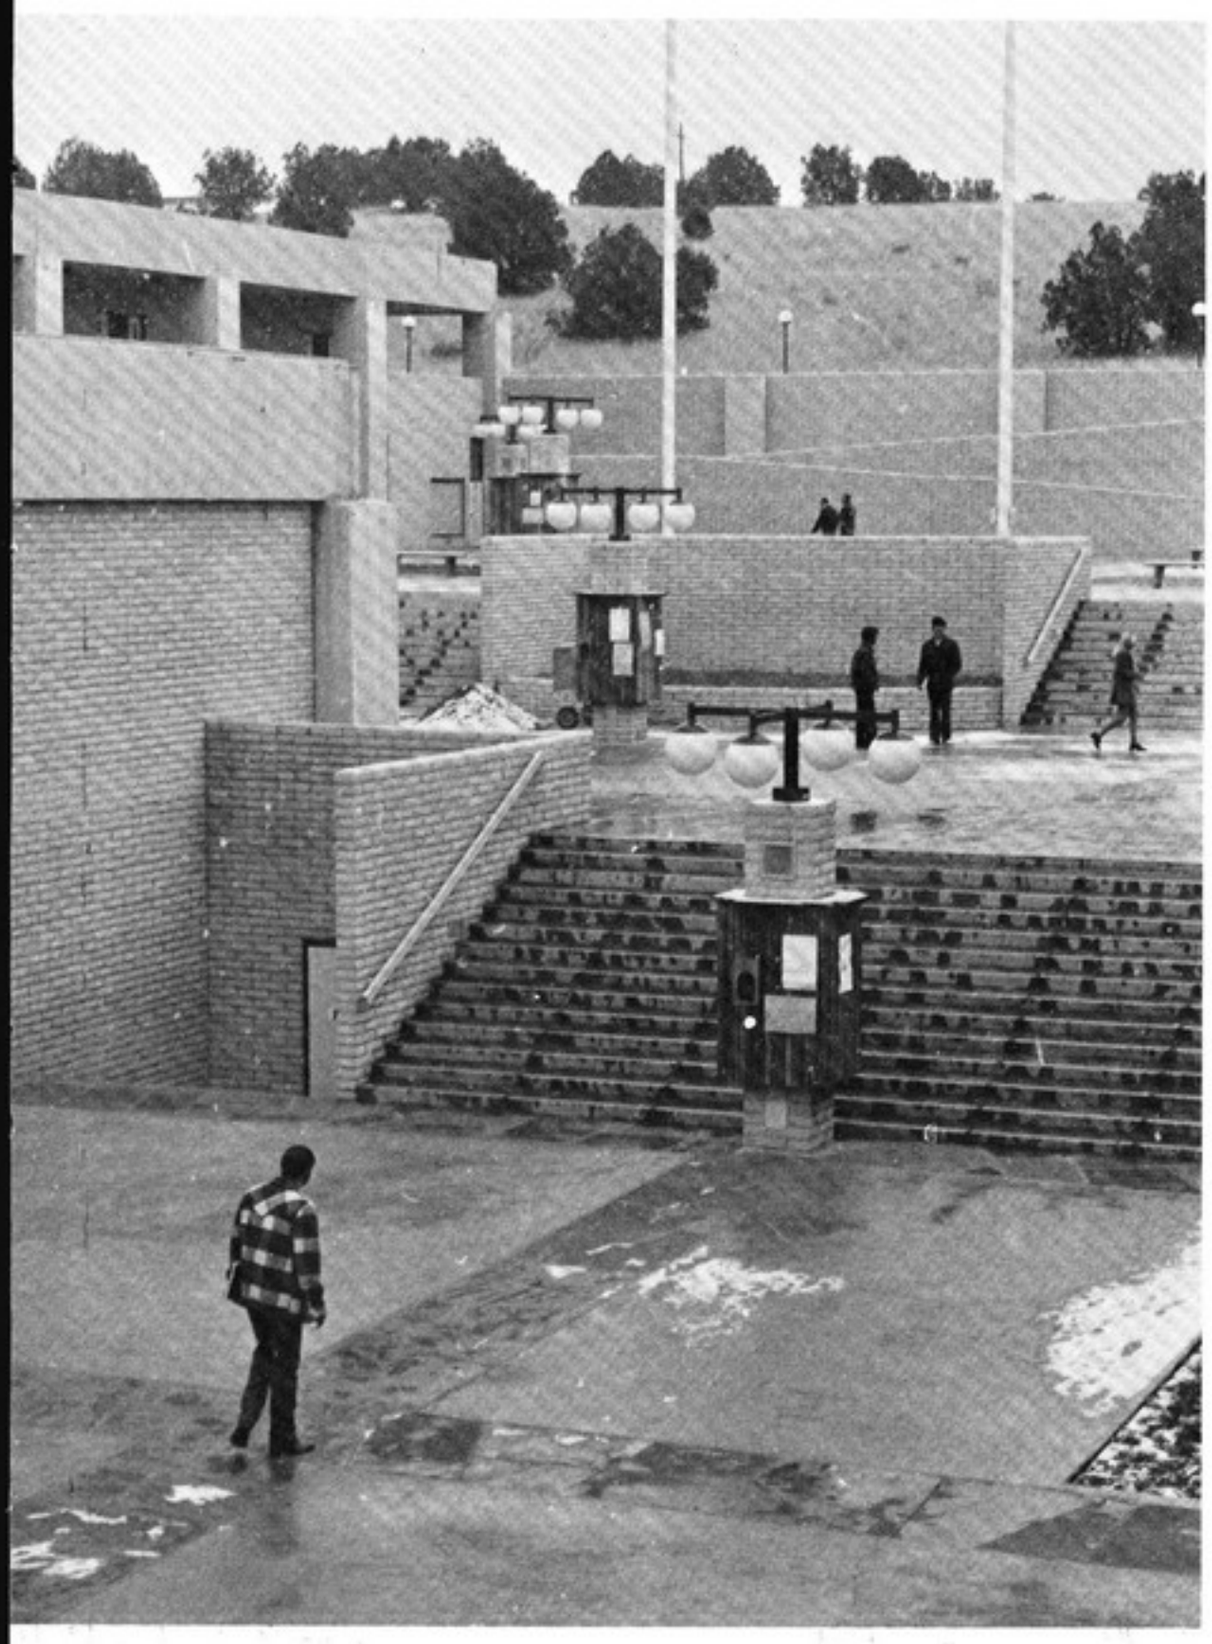
Curiosity: By nature, man is curious about all aspects of the world around him and wants to discover its many secrets.





Materials: Whatever extends knowledge or expands awareness is a valuable source of enrichment and discovery.

A quiet campus wakes with the rush of students going to early classes.



It's nice to have a BIG BROTHER . . .

Self-expression: Within each person are talents and resources to be formed and shaped into a particular individual in the world.
